

Introduction to Supervision Program

Build the skills and confidence to lead with impact.

This 3-day foundational program is designed for new and aspiring supervisors who want to lead teams effectively, communicate with clarity, and drive performance.

Program Overview

Duration: 3 Days

Format: In-person

Ideal For: First-time supervisors, team leads, or individuals preparing for a leadership role.

What You'll Learn

Day 1: Foundations of Supervision

- Understand the role and responsibilities of a supervisor
- Discover leadership styles and their real-world impact
- Strengthen communication skills for clear direction and feedback

Day 2: Team Dynamics & Performance Management

- Decode team behavior and group dynamics
- Learn motivation techniques that truly engage
- Set clear performance expectations and lead evaluations with confidence

Day 3: Conflict Resolution & Problem-Solving

- Resolve conflicts constructively and with confidence
- Apply structured problem-solving methods
- Create a personal action plan for continued supervisory growth

Why Attend?

- Gain practical tools and insights you can use immediately
- Learn from experienced facilitators with real-world leadership experience
- Network with peers from diverse industries
- Receive a certificate of completion and a personalized development plan
