

Medicare Quality Improvement Organization Appeals Overview for Healthcare Providers

WEBINAR

Medicare patients and their caregivers have the legal right to challenge a Hospice, home health or skilled nursing facility discharge notice or other notice that Medicare-covered services are being terminated. As a Medicare Beneficiary and Family Centered Care - Quality Improvement Organization (BFCC-QIO), Livanta receives thousands of appeals each year from patients or their caregivers when they are faced with a transition to a lower level of care that they believe is not appropriate or when they believe their medical condition is not stable enough to be discharged.

Presenters discuss appeal rights in detail and describe what patients, families and providers can expect when they call Livanta and begin the case review process.
