Heart of Hospice - Rose and Sam Stein Award

Rose and Sam Stein began supporting hospice in the 1980s when they contributed funds to establish Stein Hospice in Sandusky, Ohio. The success of the program prompted the Steins to award a grant to the Ohio Hospice Organization (Midwest Care Alliance) to provide quality hospice care for Ohio residents. In the 1990s, the Steins expanded their giving by setting up the Rose and Sam Stein Endowment Fund. In honor of the Steins' commitment "to help the people who help the people," LeadingAge Ohio is proud to recognize a group or individual that have made a significant, innovative and extraordinary contribution to hospice and end-of-life care.
