

MAY 14, 2025

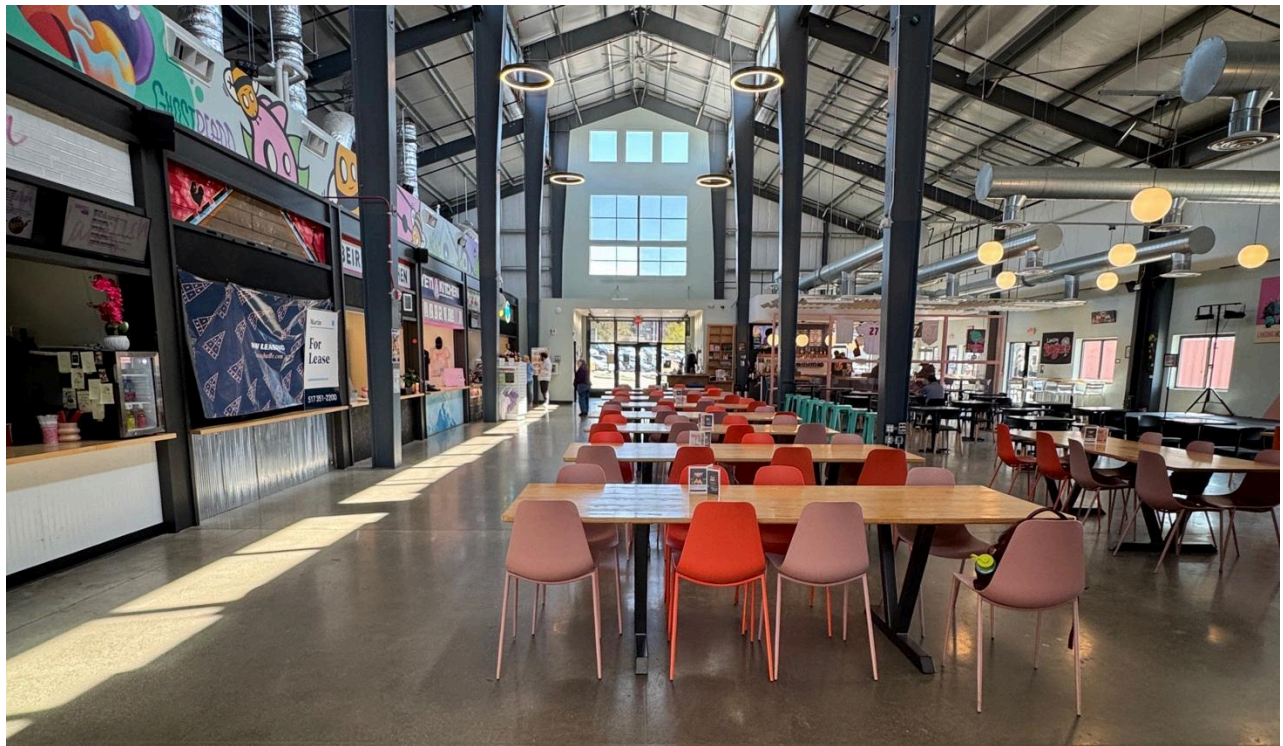

Housing Abundance Happy Hour

You are cordially invited to the **Lansing Shuffle** on May 14th, 2025 from 5:30pm-8pm, for a Housing Abundance Happy Hour! **Join us for a casual conversation about the future of Michigan's housing markets and built environment**, hosted by **Abundant Housing Michigan**. AHM is a startup 501(c)(4) nonprofit with representation from across the state, working to advocate for land use and policy reforms to increase accessibility of housing.

Learn about:

- What **housing abundance** is—solutions to create a more competitive, affordable housing market in Michigan and beyond
- The **housing abundance movement**-- and why we need allies to fix the housing market and ensure that cities are built for *everyone*, even if we don't agree on everything
- **What's going on in Michigan around housing advocacy**, policy, and more!

The Lansing Shuffle, located at 325 Riverfront Dr. in Lansing, MI 48912, is a short walk from the Lansing Center, where the Building Michigan Communities conference is taking place. The Shuffle features an indoor food hall, covered shuffleboard courts, and a patio facing the riverfront. Food and drink will be served!

RSVP below!
