NSPHC Activities

- Body Art Regulation Review
- Sun Safety Initiative
- Opioid Response
- Monkeypox Response
- Clinic Support

Body Art Regulations

- Goal: revise current regulations to update and standardize
- Priorities: microblading, apprenticeships, and education requirements

1. Researched different approaches and created model regulation
2. Held regular meetings with working group to revise model
3. Currently seeking input from local body art practitioners

Sun Safety

SALEM SCREAMS FOR SUNSCREEN

BY DOROTHY IRRERA | July 21, 2022

Share

Tweet

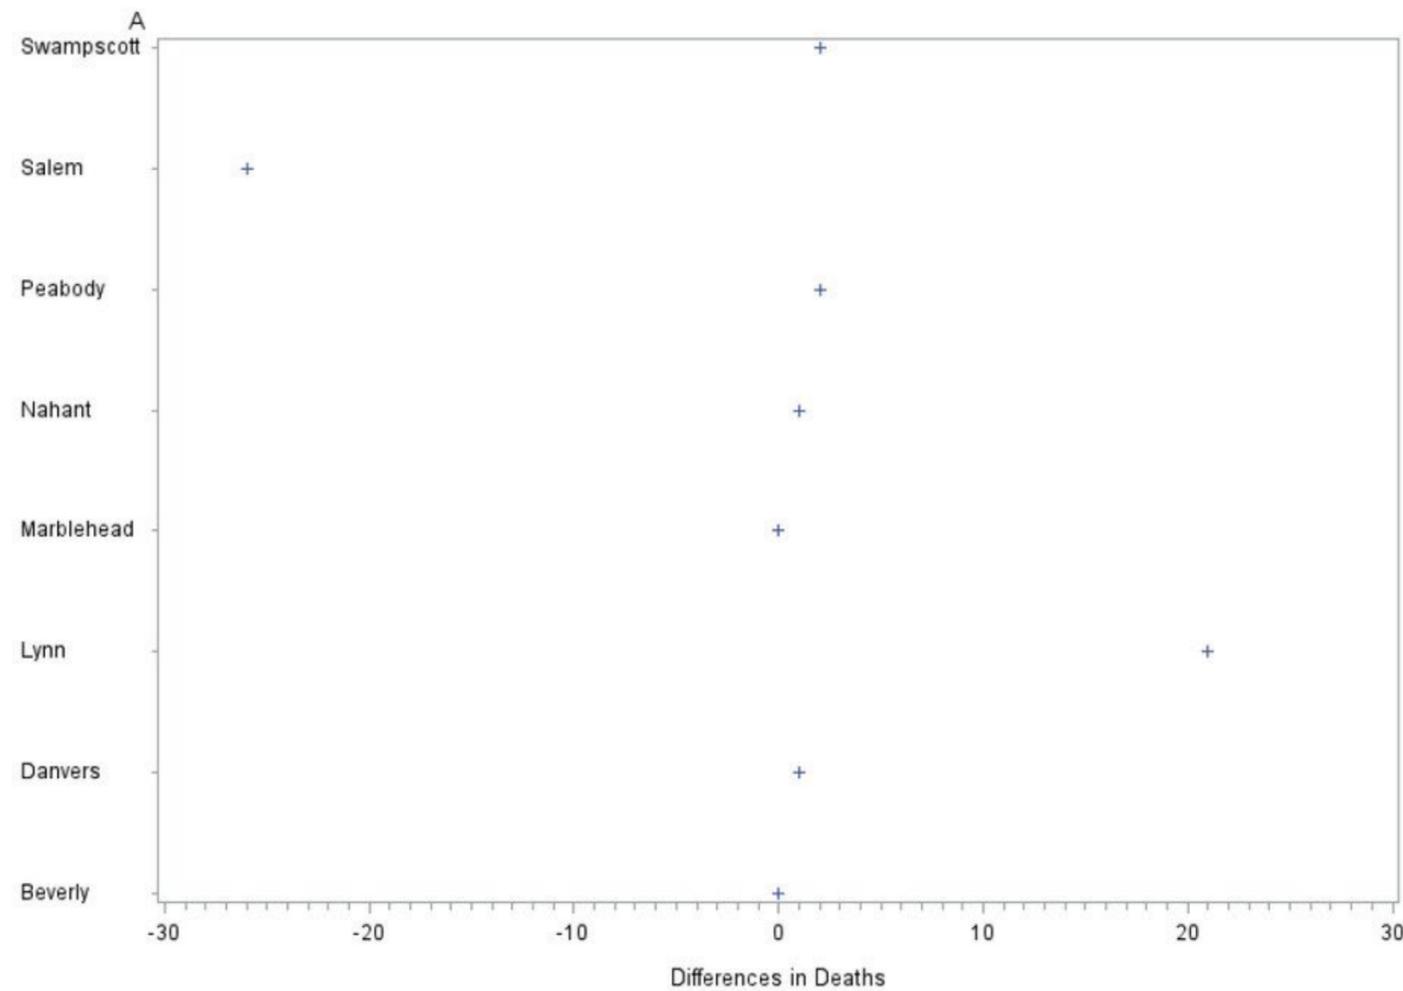

in Share

Laura Lanes of Salem takes uses the free sunscreen dispenser set up by Impact Melanoma at Derby Square in Salem on Thursday. (Spenser Hasak)

- Partnered with IMPACT Melanoma to install 70+ sunscreen dispensers across the region
- Provided Sun Safety Camp Kits for summer youth recreation programs
- Ongoing opportunities such as "Safe at Work" trainings for outdoor workers

Opioid Response

*Negative numbers indicate more fatal overdoses among non-residents; positive numbers indicate more fatal overdoses among residents

Narcan Distribution

Ex: Assisting interested health departments with applying for the Community Naloxone Purchasing Program

Data Analyses

Ex: Analyzing a city's opioid overdose data to present to the City Council

Research Support

Ex: Compiling data and best practices for members to share with stakeholders

MONKEYPOX: A ROUNDTABLE TALK

Join NAGLY and the North Shore Public Health Collaborative as we discuss the current state of Monkeypox, the epidemiology as we understand it today, and answer all your questions about this rare outbreak.

THURSDAY SEPTEMBER 8TH | 6-7:30PM

Join us in-person at
Witch City Mall
2 East India Square, Suite 121
Salem, MA 01970

Join us via Zoom
(recording will be available
after the event)

Monkeypox

- Regular updates from regional epidemiologist at NSPHC meetings
- Co-hosted roundtable with local LGBTQ organization
- Partnered with local harm reduction organization to hold a monkeypox vaccine clinic

Clinic Support

- Shared staff assisted with 12+ flu clinics across 5 communities
- PHN support administering vaccines
- Non-medical staff support with Color administration and developing promotional materials

The screenshot shows a website with a dark green navigation bar containing the following links: Home, Health Topics, Community Resources, and News & Announcements. The main content area features a white box titled "Food Safety Recalls" with three entries:

- New Universal Nourishment LLC Recalls Beef Burger Patty Products Produced Without Benefit of Inspection**
Oct 26, 2022
- Sotto I Trulli, Inc. DBA Bombolo Biscotti Issues Allergy Alert on Undeclared Walnut in Product**
Oct 24, 2022
- Seed Ranch Flavor Co Issues Allergy Alert on Undeclared Soy in "Umami Everyday Sauce" and "Everything But The Sushi & Dumplings" Sauce**

At the bottom of the page, there is a dark banner with RSV prevention information in both English and Spanish. The English text reads: "PROTECT YOUR CHILD from RSV. Avoid close contact with sick people. Cover your coughs." The Spanish text reads: "PROTEJA a SU NIÑO contra el VRS. Evite el contacto cercano con personas enfermas. Cúbrase la nariz y la boca cuando tosa y estornude." The banner includes illustrations of people and virus particles.

- Developing a website
- Creating a regional data dashboard
- Social media and health promotion campaigns
