

# Join Us for a CPH Recertification Webinar

## CPH Recertification: Opportunities, Not Obstacles

Recertification doesn't have to feel overwhelming. Instead, think of it as a way to continue building your skills and advancing your public health knowledge. This Webinar Wednesday, we'll go in depth and answer your questions.

### Date & Time

Dec 10, 2025 03:00 PM in Eastern Time

### Description

Join us for a focused session designed to help Certified in Public Health (CPH) professionals navigate the recertification process with confidence. We'll review requirements, timelines, and tips for earning and reporting credits to maintain your credential.
