

Protecting Health, Safety, and Dignity

How Local Health Departments
Can Help Stop Human Trafficking

Presentation by

Caeli Tegan Zampach

The Situation in Methuen

* Police Investigation

- Evidence of prostitution
- Arrest warrants issued
- Evidence of people living on the property

* Identification of a Larger Issue

- Crowdsourcing information
- Looking for establishments on DOL's database
- Searching some sketchy websites

* Use of Public Health Powers

- Voluntary inspections
- Voluntary closures

Collaboration & Learning

with the Department of Licensure

*

Proper Pathway to
Licensure

*

Revoking Licenses

*

Signs of Illicit Activity

What about the women?

Instilling fear in clients

Resources for victims

Collaborating with victim advocates

Pushing for legislation at the state level

Discussion

01. How has this cycle impacted your community?
02. How can local public health and local government better address this issue with a focus on helping the victims of trafficking?
