Preparing Your Shipment

FedEx Office is committed to providing you with an outstanding experience during your stay. All guest and event packages being shipped to the property must follow the address label standards (illustrated below) to prevent package routing delays. Please schedule your shipment(s) to arrive four days prior to the event start date to avoid additional storage fees. Use the name of the recipient who will be on-site to receive and sign for the package(s). Please do not address shipments using property employee names unless the items are specifically for their use (e.g., hotel specifications, rooming lists or signed documents); this includes arranging for deliveries to all areas on the property.

If a package has not been picked up by the recipient and no contact information is provided, the package will be returned to the sender, who will be responsible for all additional shipping fees. For more information on package retention, the Return to Sender process, or to schedule package deliveries, please contact the FedEx Office business center at [redacted]. Package deliveries should only be scheduled after the recipient has completed the check-in process.
