Registration includes food, access to our open bar, and some gambling money to get you started. It also gets you a seat at any of our game tables for Texas Hold 'Em, Black Jack, Craps, and Roulette. Game tables will be hosted by professional dealers. Cash in your chips at the end of the night for chances to win big in the bucket raffle. Deal yourself a night to remember and register now! Proceeds from this event will be split between Heartland Equine Therapeutic Riding Academy and the MRCA Foundation.

The YCC will also be holding their annual Service Project. We will be assembling STEM kits for local Omaha students. United Way of the Midlands Omaha is facilitating the project. Welcome Party attendees who participate in the kit assembly service project will be given additional tickets towards the prize raffle that is drawn at the conclusion of the Welcome Party.
