### The Opportunity

Excellent opportunity for a BE/BC Hematologist Oncologist. Live and work in beautiful Traverse City, Michigan and provide outreach to another Munson Healthcare location one day per week. Our Cowell Family Cancer Center is on the campus of Munson Medical Center and serves as the hub for the oncology service line. It offers oncology diagnostics, treatments, research, and cancer support services within the 100,000 sq. ft. center and it is connected to the hospital via an underground tunnel. Munson Medical Center's multidisciplinary approach to cancer treatment is enhanced by having the medical, radiation, and gynecologic oncology offices and support staff within the Cowell Family Cancer Center. The facility is designed to create an aura of healing, with patient-friendly elements to create a patient-centered, efficient, healing environment. Our beautiful infusion and chemotherapy suite has 50 infusion chairs, overlooking a rooftop garden or a fireplace. There are an additional 59 infusion chairs for care close to home throughout the system. Radiation Oncology includes state-of-the-art linear accelerators with stereotactic radio surgery and brachytherapy services. Specialty Clinics and multidisciplinary tumor conferences are held weekly for breast, prostate, lung and general cancers. Cancer research embodies both NCI and pharma trials, and a specialized cancer genetics clinic. If you are seeking an excellent work life balance in a four season paradise, this opportunity is for you!

### About Munson Medical Center

Munson Medical Center – the regional referral center for all of northern Michigan – has earned a national reputation for top quality care. The 442-bed hospital offers the only verified Level II Trauma Center and Level III Neonatal Intensive Care Unit in Michigan's northern Lower Peninsula, nationally recognized cardiac care at the Webber Heart Center, advanced oncology services in the Cowell Family Cancer Center, a Primary Stroke Center, heart and cancer research programs, a robust teaching hospital, and a stellar orthopedics program. Munson Medical Center providers have served the region since 1915, with a heritage of keeping patients at the center of all they do.

### About Our Community

After a great day at work, nature's paradise is waiting right outside your door. Sleeping Bear Dunes National Lakeshore is just a quick drive away, along with wineries and countless trails for hiking, biking, and skiing. Located near the 45th parallel, Traverse City was named one of "The Most Beautiful Towns in America" by Condé Nast Traveler and one of the "The Coolest 25 Towns in America" by Matador Network.

Whether you choose to live near the action in downtown Traverse City, in a lakefront home on the gorgeous Leelanau or Old Mission Peninsulas, or somewhere in between, the Grand Traverse Region has a range of exciting housing options, with excellent private and public schools nearby. The area offers endless possibilities for a fulfilling life, for families and single professionals, thanks to four seasons of outdoor activities, a vibrant cultural and restaurant scene, a community of caring neighbors, and miles of pristine freshwater shoreline.
