

Humana

Summary of Commercial Preauthorization and Notification List Changes

Last updated: Feb. 7, 2024

This list contains a summary of changes made to the current copy of the Commercial Preauthorization and Notification List. At Humana, we are dedicated to ensuring that every business decision we make reflects our commitment to improving the health and well-being of our members. To that end, we continuously evaluate our clinical programs, current medical literature, legislation and coding practices to help our members achieve their best health.

A copy of the most recent Commercial Preauthorization and Notification List can be found on our webpage at [Humana.com/PAL](https://www.humana.com/PAL).
