It's Easy to Donate

Cancer Medication and Supportive Cancer Medication that is:

- Sealed in Original Manufacturer Packaging*
- Expiration Date is at least 6 Months or longer
- Stored at Room Temperature
- Sealed in Blister Packs (even if some medication has been removed)

* Narcotic, liquid, or refrigerated medication can not be donated to the CDR program.

Thank You, Michiganders!

Since June 2023, thousands of unused cancer medications have been donated to the YesRx Statewide Network of CDR Programs.

So far, over \$10 million dollars in cancer medication has been provided to patients in Michigan – for free.
