

Regional Vice- President

Term: Two years, beginning at this year's Annual Symposium and concluding in two years at the Annual Symposium. This is an elected position.

Qualifications:

- Must be member of the organization in good standing and meet the requirements for Full Membership
- Must be employed in Renal Health Care
- If a leave of absence from working in Renal Health Care happens for unforeseen circumstances, it must not exceed 6 months.
- Must make known any involvement in other Dialysis organizations known to ensure there is not a conflict of interest present.
- Must reside in the geographical area they are representing.

Position summary:

- To act as a liaison to the national board of NANT for the local chapters within the region for which you are responsible.
- Follow as instructed by the president or enacting power to act as representative for NANT
- To work within the governing rules of the organization
- To be able to work within a team structure to make decision on behalf of all NANT members
- Anyone taking on this role must be committed to the organization and must understand the scope of energy and time required to effectively do the job.

Expectations:

The Regional Vice President is expected to review and understand the organization's articles of incorporation and by-laws and policies and procedures. The Regional Vice President acts as a spokesperson and Representative for the NANT members and Chapters in their area as well as being a representative for the organization.

Duties:

- Provide ongoing support to the chapters in your region
- Increase NANT membership
- Carry out the mission of NANT
- Whenever possible, be involved in issues in my coverage area (especially those of legislative nature) pertaining to the licensing and/or certification of the dialysis technicians.
- Assist as much as possible with Chapter development, either in person or by phone or email.
- Assist other Regional Vice Presidents, when possible, with technician issues

- Provide on-going education for Chapter Presidents
- Provide all reports and assignments on time as requested
- Continue to promote NANT to the new members to build a positive membership base
- Offer Educational assistance to local chapter and other regions if requested
- Support the Chapter Development team to further chapter formations
- Regional VP's should participate in Chapter President quarterly Telecons
- Regional VP's should visit as many units as possible in their region and distribute appropriate literature
- Pursue becoming a member of the medical review board
- Contact their ESRD Network organization
- Talk with the President at least once a month
- Write an article for NANT news annually
- All other duties as assigned by the President of the Board or his delegate(s)

Skills and Qualities:

- Current member of NANT in good standing
- Demonstrate enthusiasm
- Willing to sacrifice time and energy for an excellent cause
- Be a positive team player
- Have the drive and ambition to work hard

Adopted March 2015
