"It is both an honor and a privilege to participate as an exhibitor at the 2027 New York State Podiatric Medical Association Clinical Conference. This event has for many years been an unparalleled platform for exhibitors to showcase their latest innovations, share knowledge, and foster collaborations that have helped shape the future of podiatric medicine. At NY 26, Sagis Podiatric Pathology assumed a large supporting role and with the amazing cooperation of the event planning staff, we were able to contribute meaningfully to the vibrant community of attendees at the meeting and effectively get our message out. Our support of the President's Reception was a smashing success both for the attendees and Sagis. Sagis leadership had a wonderful opportunity to address the packed room to a resounding response. We also introduced the inaugural Sagis Podiatric Pathology Foot Bowl Residency competition. This event created great excitement on the exhibit floor all day long. NYSPMA staff did everything they could in the planning of this event to help us hit a grand slam!"

If you understand that events like this are essential for fostering innovation and professional growth within the podiatric field, your business needs to be present at NY27."

—Dr. Bryan C. Markinson, DPM, Sagis Diagnostics

Dear NY27 Partner,

As an important contributor to the podiatric community, the NYSPMA Clinical Conference and Exhibition on January 22-24, 2027 belongs on YOUR calendar without exception.

This is where the best-of-the-best in our profession comes together — for breakthrough education, live product experiences, and meaningful connections with the colleagues and innovators shaping the field. Exhibitors gain direct access to key decision-makers through our expo halls and networking opportunities. Sponsors enjoy elevated opportunities to connect directly with your target audience.

NY27 is the premier event podiatric insiders look forward to all year.

And, as you may have heard, something exciting is coming to the Marriott Marquis courtesy of our NY27 team — and we can't wait to share more with you.

Our team is proud to unveil a completely reimagined Exhibition Floor on Level 6 of the Marriott Marquis, designed from the ground up to elevate the experience for exhibitors, sponsors, and attendees alike. The new layout features a smarter, more intuitive flow that puts your brand in front of more podiatric professionals, creates natural gathering moments, and maximizes meaningful engagement throughout the event.

This isn't just a new floor plan — it's a new standard for how the podiatric industry connects, discovers, and does business.

We invite you to be part of it.

Registration for booths will officially launch later this Summer so we appreciate your patience until we unveil our updated inventory and availability!

In the interim, please review our official NY27 Prospectus and feel free to reach out to Karen Koza in Corporate Relations at NYSPMA at kkoza@nyspma.org regarding sponsorship and partnership opportunities outlined in this document.

We look forward to seeing you at NY27!
The NY27 Clinical Conference Team

"Every year, the leaders of our profession make one trip non-negotiable — and this is it. The NYSPMA Podiatric Clinical Conference and Exhibition is where cutting-edge education meets real clinical impact, where exhibitors reach the decision-makers who matter, and where our community comes together to shape the future of podiatric medicine. I can't wait to see you there in January 2027."

The subletting, assignment, or apportionment of the whole or any part of an exhibitor's space by the exhibitor is prohibited.

Exhibitors may not exhibit, advertise, or offer products other than those manufactured or sold by that Exhibitor in the regular course of business. Exhibitors may not receive or permit the receipt of legal tender, or anything of value for goods and/or services in the exhibit area or in any other facility provided or controlled by NYSPPMA, nor shall any goods be delivered for which any future payments are made. Exhibitor activities are restricted to the booth allocated only.

ELIGIBILITY FOR EXHIBITING Exhibits are an extension of the educational program of the New York State Podiatric Medical Association's Foundation for Podiatric Medicine. In order for NYSPPMA to accept your application, the products and services must promote podiatric medicine and/or enhance the podiatric profession. NYSPPMA reserves the right to refuse applications for any reason.

DISPLAY REGULATIONS Please review the enclosed layout of the exhibit floor carefully and consider the needs of your display when selecting your booth(s). In standard "in line" booth units, all display material is restricted to a maximum height of 48 inches, except for the back wall of the display, which is limited to 8 feet in height and one-half the depth of the booth. The NYSPPMA Exhibit Halls follow the IAEE guidelines. The display guidelines are designed to ensure that each exhibitor, regardless of size, has the opportunity to present their products or service in the most effective manner possible.

SCANNING A DPM'S BADGE FOR CECH CREDITS IS STRICTLY PROHIBITED. Any exhibitor representative who scans a DPM's badge at a CECH scanning station will be escorted from the conference floor. In addition, the exhibitor's booth will be closed down immediately. There will be no refunds given. This rule will be strictly enforced.

GENERAL DISTURBANCES All sound presentations must be done at low decibel levels so that neighboring Exhibitors are not disturbed. Exhibitors with audio/visual presentations MUST comply with NYSPPMA representative's on-site instructions regarding acceptable levels. Exhibitors with equipment, which may be objectionable to other Exhibitors because of noise or other disagreeable features, must notify NYSPPMA in writing in advance of the exhibition, and agree to accept booth assignments as determined by NYSPPMA.

RATES, DEPOSITS & REFUNDS Booth space is charged as stated on the contract. No booth will be assigned without a 50% deposit. Space must be paid in full by November 1, 2026. NYSPPMA reserves the right to cancel booths without refund for all booths not paid in full by November 1, 2026. Vendor shall be responsible

for costs of enforcement in the event of any breach, including reasonable attorneys' fees. In the event of conflicts regarding space requests or conditions beyond its control, NYSPPMA reserves the right to rearrange the exhibit hall floor plan. The offering of ANY educational programming that competes with NY27 is strictly prohibited. Violators will have their functions closed. Only exhibiting companies will be permitted to have meeting rooms or hospitality/business suites in the New York Marriott Marquis. NY27 reserves the right to control activities associated with the Clinical Conference & Exhibition, including those sponsored by the exhibitor during the period of the meeting, whether inside or outside of the convention facilities. Exhibitors must inform NY27 of any hospitality/business suites, functions, classes, seminars, or exhibits being held at venues other than the exhibit floor, and must receive express written consent from NY27 for said activities prior to the show. Offsite room hours shall not conflict with posted NY27 exhibit and conference hours. With the sole exception of business/internal meetings, no exhibitor is permitted to schedule or be affiliated with meetings, functions, classes, seminars, exhibits, or hospitality events that compete with or divert attendees from the NY27 Clinical Conference & Exhibition.

OUTBOARDING Exhibitor agrees that in consideration for NY27 holding exhibit space for the NY27 Clinical Conference & Exhibition and in recognition of and consideration for the significant investment NY27 makes in attracting attendees to New York City for the Clinical Conference and Exhibition, exhibitor will be an official 2027 exhibitor and will refrain from displaying product or sharing content outside of the NY27 exhibit hall. If for any reason exhibitor cancels space and outboards in any non-official exhibit venue of NY27, the exhibitor will lose all space seniority for future Clinical Conferences and will be assessed liquidated damages that are calculated at 100%, based upon lost revenue and not as a penalty.

NY27 strictly prohibits solicitation of business in any public areas occupied by NY27 Clinical Conference & Exhibition, including public areas in conference hotel. Solicitations are limited to badged individuals within registered booths in the exhibit hall only.

INSTALLATION & DISMANTLING Exhibits may be installed between 10:00 am and 5:00 pm on Thursday, January 21, 2027. All exhibits must be fully set up by 8:30 am Friday or they will be ordered set by GES at an additional cost to the Exhibitor. NYSPPMA reserves the right to alter exhibit hours, including reducing, extending, or canceling any day of the exhibition, in accordance with the convention program or circumstances beyond NYSPPMA's control (including but not limited to severe weather, venue restrictions, or safety concerns). Whenever possible, Exhibitors will be notified of such changes in advance of the conference; where advance notice is not possible, NYSPPMA will provide notice as promptly as practicable via email to each exhibit booth staff member's registered email address. Exhibitors are responsible for ensuring all booth staff registrations reflect current, monitored email addresses, and for checking email regularly during the conference dates. Exhibitor booths must be free of materials, boxes, trash, paper, etc. after dismantle.

VIOLATIONS In the event an Exhibitor violates any provision of this contract, NYSPMA shall have the right without any liability whatsoever, to notify the agents, servants, employees, or other persons then operating Exhibitor's booth(s) to close said booth(s) immediately upon notice. Furthermore, NYSPMA shall have the additional right to bar the Exhibitor, his or her agents, servants, employees, or other representatives from the exhibit area and the exhibit halls and facilities, and to enforce the provisions hereof by having the responsible local government official enforce this provision, all without liability to NYSPMA, its agents, servants, employees, or contractors. If any provision of the agreement is breached by the Exhibitor or if the Exhibitor is in default, NYSPMA shall have the right, and

NYSPMA shall have the full power to interpret, amend, and enforce these rules and regulations, provided any amendments, when made, are brought to the notice of the Exhibitors. Each Exhibitor, for itself and its employees, agrees to abide by the foregoing rules and regulations and by any amendments or additions thereto in conformance with the preceding sentence.

EXHIBITOR SLEEPING ROOM MANDATE Exhibitors and sponsors who need hotel accommodations must book in the official Foundation for Podiatric Medicine/NYSPMA room block at the NY Marriott Marquis. Any exhibitor or sponsor who violates this requirement will be charged a fee of \$300.

Please visit this link for details and booking your room: https://www.nyspma.org/aws/NYSPMA/pt/sp/conference_hotel

Please be advised that the only way to book a room at the host hotel for NY27 is through the information provided by The Foundation/NYSPMA. For your own protection, do not make reservations through any other housing provider or travel company. Reservations made other than through the information provided by The Foundation/NYSPMA will be at your own risk. If you have been contacted by another company purporting to represent one of our host hotels or The Foundation/NYSPMA, please report them to nyclinicalconference@nyspma.org.

FAMILY HOUR POLICY We welcome families to join us for our designated Family Hour on Saturday, January 23 from 4:30 to 6:30 PM in the Exhibit Hall (Levels 6 and 7). During this time, children accompanied by a registered adult attendee are welcome in the specified area. All other conference spaces and sessions remain restricted to registered attendees only. Children must be supervised by an adult at all times during Family Hour.

HOST HOTEL SLEEPING ROOM REQUIREMENT All companies exhibiting at the NY27 Clinical Conference who require sleeping rooms must book at the New York Marriott Marquis through the official NYSPMA room block.

The NY27 Clinical Conference Room Block booking details are now up on the website. They can be found below: https://www.nyspma.org/aws/NYSPMA/pt/sp/conference_hotel

Reservations made outside the NYC Marriott Marquis do not support NYSPMA and are financially damaging to NYSPMA. Any exhibiting company that fails to support NYSPMA by booking outside of NYSPMA room block at the New York Marriott Marquis for the NY27 Clinical Conference will be assessed a non-compliance fee of \$500.00. This fee will be applied to the company's exhibitor invoice for the NY28 Clinical Conference and must be paid in full prior to the company's booth assignment being confirmed for the NY28 Clinical Conference.

SHIPPING AND FREIGHT SERVICES All exhibitor materials, equipment, and freight must be shipped to and from the NY27 Clinical Conference & Exhibition exclusively through Global Experience Specialists (GES), the official drayage and freight contractor for NY27. Exhibitors are required to use GES for all inbound and outbound shipments, including advance warehouse deliveries, direct-to-show-site shipments, and post-conference return freight.

Exhibitors who elect to ship materials through any carrier or freight provider other than GES do so entirely at their own risk. NYSPMA, the New York Marriott Marquis, and GES assume no responsibility for loss, damage, delay, misdelivery, or failure to deliver any materials or equipment shipped outside of the official GES freight program. NYSPMA will not intervene on behalf of any exhibitor who experiences shipping or freight issues arising from the use of an unauthorized carrier, and no refund, credit, or accommodation will be provided in connection with such loss or damage.

All questions regarding shipping, freight, material handling, and drayage should be directed to the GES Service Center via live chat at www.ges.com/chat or by phone at 800-475-2098. Additional details, deadlines, and shipping instructions will be included in the Exhibitor Services Manual, distributed via email in mid-November 2026.
