2012

Applicator Manual Label Books

These books have become the industry standard in helping comply with EPA's requirement to have label information available for your applicators while handling or applying pesticides. Place a copy in every piece of application equipment and nurse or tendering units. Great for crop consultants!

- 1,880 pages
- Handy 5 1/2" x 8 1/2" size
- Contains the most popular custom-applied products
- Revised just in time for the 2012 season
