

2014 OABA Educational Trust Sponsorship Program

One contribution. Invaluable investment in Ohio agribusiness' future.

The Ohio AgriBusiness Association Educational Trust is offering a new sponsorship opportunity to help save you the time and hassle of obtaining approval for various sponsorships throughout the year. Just write one check and receive promotional opportunities at all* OABA Educational Trust events, including Golf for Scholarships and Bowling for Scholarships.

Educational Trust sponsors will automatically be promoted as such at all Ed Trust events, and will not be approached for sponsorship opportunities throughout the year. We understand that supporters have different needs, so we will continue to send individual event sponsorship opportunities to those who have not enrolled in this sponsorship program.

Platinum Sponsorship – \$1,000 Investment
