***Firefighters:**

Reserve rooms in your own name and credit card (only).
“Debit Cards will not be accepted.”

Steve Queen will get a list of the Firefighters on day 1 and GEAPS Seaway Chapter will pay for rooms the nights of Tuesday, August 19th - Wednesday, August 20th - Thursday, August 21st.

Required Equipment for Bin Entry-Tech Rescue Training

The following list of equipment is “**required**” by SATRA and/or Trupointe Cooperative.

Firefighters:

1. Technical Rescue Helmet, traditional helmet's rear bill will interfere with rope and harness.
2. Class 3 Harness
3. Work Positioning Lanyard
4. Gloves for rope handling.
5. Eye protection.
6. Appropriate industrial footwear. Tech boots or Work boots. Steel toes "not" required.
7. Jeans or Tech pants and T shirts.

If you have questions or need assistance before ordering equipment, call Bill Harp, CEO - SATRA at 313-415-4658.

Grain Personnel:

1. Hard hat with a chin strap, "**chin strap is required**". The chin strap will secure your hard hat to prevent it falling from heights and possibly causing injury to someone below due to wind or looking down. **Chin straps will be available for \$2.00 each at the site.**
2. Harness.
Bring the harness you use. You might consider waiting before ordering a harness until after the training. What you learn about harnesses will be very helpful.
3. Work Positioning Lanyard
4. Gloves for rope handling. Will be tying knots in ropes and straps.
5. Eye protection. Prescription eyeglasses must meet ANSI standard.
6. Appropriate industrial footwear. Work boots. Steel toes "not" required.
7. Jeans or work uniform pants and T shirts.
