Practical Tips and Trial Skills Techniques You Can Use Right Now

PRACTICAL TIPS AND DEMONSTRATIONS: The large group sessions will consist of a short presentations, quick tips and demos that will help you get ready for, and to excel in, Motion Hearings and Trials. Whether you are a beginner or a master of the craft you will learn things you can use.

TRIAL SKILLS WORKSHOP: After each large group session, we will divide into break out groups to work on courtroom skills incorporating some of the things learned in the above presentations. Some groups will focus on learning the basic skills and other, more experienced groups, will focus on honing those skills and will be exposed to new ideas for taking it to a higher level.

The groups will be small and based upon experience and training levels, which you will “self-select.” Groups will range from groups made up of relatively new lawyers and at least one group of highly experienced lawyers, with groups with experience levels in between.

DON'T DO MUCH DUI DEFENSE? The skills learned and practiced in these session are applicable to any hearing and any case - even civil cases.

IS THIS TRAINING ANY GOOD? The DUIDLA has run these trial skills sessions throughout the country and the reviews has been tremendous. After one recent session in Indiana all of the members of the most experienced group (all with 50 trials or more) stood up and said it was the best CLE they have ever attended! The less experienced participants agreed.

TRIAL SKILLS SESSION IS RUN BY THE NATIONAL DUI DEFENSE LAWYERS ASSOCIATION
