

ICD-10 "ROAD TO 10": ICD-10 Implementation Guidance

The Centers for Medicare & Medicaid Services (CMS) in collaboration with the Ohio Department of Medicaid and the Ohio State Medical Association is excited to offer a **free webinar**: ICD-10: The Road Forward.

DATE/TIME:

Date: June 12, 2015

Time: 12:00-1:30 PM EDT

TOPICS:

Designed for physicians and practice managers, this educational session will offer background and strategies on ICD-10 implementation. The presentation will cover the following topics:

- Where physician practices need to be with ICD-10 implementation today and what types of CMS resources are available to assist with the transition, including ICD-10 action plans using Roadto10.org resources
- How to test: preparing test cases, performing internal and external testing, validation, testing with trading partners and vendors, testing with CMS
- An Ohio Medicaid ICD-10 implementation update
- Testing opportunities with Ohio Medicaid
- Information from the Ohio State Medical Association on ICD-10 resources and training

FOR MORE EVENT INFORMATION

The Road to 10 materials and information are provided at no-cost to help small physician practices transition to ICD-10. No organization shall charge for, or in any way financially gain from, the distribution of these resources. The CMS logo must remain on all Road to 10 materials and collateral and should not be altered or rebranded.
