RE: Provider Town Hall meetings

During April and May, I will be holding Provider Town Hall meetings throughout Ohio. Governor Kasich's SFY 2012-2013 Medicaid budget initiatives, including reforms the Office of Health Transformation is initiating, will be presented for discussion.

Each town hall meeting will be two hours in length and will include a question-and-answer period. I ask you to share this information with your membership and encourage their attendance. The schedule of meetings is below. Additional meetings may be scheduled in the future. I am excited about this opportunity to share ideas with Medicaid providers across the state.

Please keep in mind that this event is for providers only. Individuals enrolled in Medicaid should direct questions to ODJFS Constituent Services at 614-466-2100.
