

**Ohio Chapter, American College of Emergency Physicians
2023 Resident Representative to the Ohio ACEP Board of Directors Commitment Statement**

Dear Ohio ACEP Resident Board Candidate -

Thank you for your interest in serving the Chapter in a leadership role. Physician leadership is important to our Chapter, and we value your interest in volunteering your time and talents in this capacity.

If elected, I agree to serve on the Ohio ACEP Chapter Board from Residents' Assembly 2023 until Residents' Assembly 2024.

In my capacity as board member, I commit to the following:

1. I will read and review all materials in advance of a board meeting, including the agenda, meeting minutes, reports, and other necessary documents made available to me.
2. I will participate in conference calls and schedule that time as if it were an in-person meeting.
3. When I am sent an email regarding board business that requires a response, I will make every effort to respond or acknowledge receipt within 72 hours or by the specified deadline.
4. If I am unable to attend a board meeting due to a scheduling conflict or illness, I will let the Executive Director and Board President know as soon as possible prior to the meeting. Missing a meeting due to National ACEP scheduling conflict or illness will be noted as "excused absence." More than one absence within one year may result in removal from the board.
5. I will sign and adhere to the conflict of interest policy and the anti-trust policy.
