

MSHA/OAIMA CONTRACTOR WORKSHOPS

DESIGNED FOR CONTRACTORS AND MINE MANAGERS

WORKSHOP DESCRIPTION

Paul Cook of MSHA will be conducting Contractor Workshops throughout August. The workshops were developed to provide instruction from MSHA on the responsibilities for mine operators and contractors regarding MSHA compliance.

WHO SHOULD ATTEND

The program is beneficial for contractors as well as mine managers, foreman and safety personnel who will be working with the contractors. Contractors who work or have the potential to work on a mine site are strongly encouraged to attend.

REGISTRATION

There are eight workshops scheduled in August at four different locations in Ohio. Please check below the morning or afternoon workshop at the date and location that works best for you.
