

DIABETES INSTITUTE, LLC

Transforming Diabetes Care

July 29, 2016 | 8:00am to 4:00pm

Location: Marriott Louisville East, 1903 Embassy Square Blvd., Louisville, KY 40299

Insulin Pump and Continuous Glucose Monitoring (CGM) Hands-on Training

This one day diabetes professional education program utilizes a unique, hands-on curriculum delivered in a participant-centered learning environment. Over 6,000 health care providers including physicians, nurse practitioners, physician assistants, certified diabetes educators and pharmacists have attended a Johnson & Johnson Diabetes Institute program in the United States.

We are pleased to bring this program to Kentucky.

**educate.
engage.
encourage.
empathize.
advocate.
transform.
master.**

The education program includes:

- Interactive teaching techniques
- Latest diabetes standards of care
- Simulation of life with diabetes
- Establishing a therapeutic relationship
- Insulin pump therapy
- Continuous glucose monitoring (CGM) and CGM data analysis
- Safe and effective use of diabetes technologies
- Non-insulin therapies
