

2017 PA Olympics

Looking for athletes, quasi-athletes and the ever important fan to join us for this wonderful event put on by Ohio Physician Assistant Student Leadership. I would like to create a team of OAPA members to show support for our up and coming leadership as well as support a wonderful cause. This great day will include such dramatic events as: Capture the Kidney, Dodge the Flu and the great Speculum Egg Race to name a few!

Saturday July the 8th, 2017

University of Findley Campus

11:30 AM - 5:00 PM

Every year the student leaders identify a charity for this event and this year it is the Leukemia and Lymphoma Society. Please go to the "Go Fund Me" link below to help us reach our goal \$5,000.00
