

22nd Annual Cincinnati Children's Advanced Practice Provider Regional Conference

Take Action! Overcoming Barriers in Pediatric Care

May 1, 2020

7:30 am – 5:15 pm

Great Wolf Lodge | Mason, OH

CONFERENCE DESCRIPTION

The purpose of this conference is to provide the pediatric/family practice primary care, pediatric specialty care, and pediatric acute care advance practice providers with current clinical information and updates in health care law.

Course Outcomes

- Apply clinical judgment using case studies and current research.
- Explain pathophysiologic concepts related to various pediatric diseases and anomalies.
- Discuss methods to encourage professionalism, advocacy, and critical thinking in advanced practice.

ACCOMODATIONS

New this year! We have reserved a block of rooms for those attending our conference at a significantly discounted rate. Plan to book a room early to take advantage of all the venue has to offer while you are visiting Great Wolf Lodge for the conference.

Please note, the rates will only be discounted and rooms held until 30 days before the conference so be sure to book no later than March 30th! Reservations can be made online at <https://www.greatwolf.com/mason> or by calling (866)956-9653.

Be sure to use discount code: 2004CHMC

KEYNOTE SPEAKER

Stephen J Smith, MEd

Steve's experiences over the past 40 plus years have been exciting. He started his career as a high school teacher and coach. Steve later worked at NCR Corporation in Dayton, Ohio for six years as writer and director of video-based and interactive programs related to the computer industry. In 1989 started in the private sector working in the video and film production business for 20 years before joining the IT Consulting business in 1999.

Steve has a Masters in Education and Communication from Xavier University; Bachelor of Fine Arts Degree from the University of Cincinnati's Design, Art, Architecture & Planning program; Executive Certification in Leadership & Management from The University of Notre Dame and a Masters Certificate in Internet Marketing Metrics from the University of San Francisco. He is the co-founder and President of A Wired Family, LLC. These experiences and his love of family have been the driving force behind the development of the A Wired Family presentations and his books related to social media for schools, parents, and mental health professionals.
