**Join us for a 4.5 day workshop to
teach faculty innovative approaches
to strengthen and preserve the
professionalism and resiliency of their
medical and healthcare students.**

Faculty participants will be able to:

- Implement and evaluate a 15-hour experiential, transformational curriculum.
- Compare the transformational potential of the discovery model to the traditional cognitive/intellectual educational model.
- Discuss the shadow of medical education and strategies to detoxify it.
- Use reflection and contemplation as major educational tools.
- Discuss grief and its importance in preventing burnout.
- Run a Finding Meaning group for faculty colleagues & peer professionals.
- And much more!

Presenters:

Evangeline Andarsio, MD
RISHI Director

Suzanne Scheller, MS, RN, CNE
