Join us for a 2.5 day retreat and training workshop in personal and professional resilience for clinicians and healthcare paraprofessionals.

This enriching experience will:

- Awaken the experience of respite and peace.
- Explore using reflection, experiential exercises, symbolism, narrative, journaling, generous listening, and small group sharing.
- Enhance compassion and resiliency using self-care tools.
- Experience the compassionate support of a professional community.
- Learn to bring a Finding Meaning Group and/or Tending the Flame Program to your healthcare community (*optional/applies only to Sunday training participants*).
