Jul/Aug/Sept – Capturing the Wisdom Before it's Gone Part II

Publication Committee Report to Board

The Publications Committee continues to strive to provide membership with timely information regarding issues facing today's fire service as is evidenced in our issues.

We encourage anyone interested to join the Publications Committee. We meet regularly throughout the year to exchange ideas, establish themes, make assignments, etc. Meetings are held well in advance of editorial deadlines to allow committee members enough time to brainstorm ideas and engage in lively discussion.

If you'd like to join us or have a particular item/issue you'd like us to address, please contact Committee Chair, Chief Tom Stewart at tstewart6749@gmail.com or Anne Beauch at abeauch@ohiofirechiefs.org or 614-410-6322.

We would like to thank our committee members for their hard work and dedication to this committee. Their efforts in tackling the latest thinking and current issues in the fire service make *InCommand* one of the country's best fire organization membership publications.

Respectfully Submitted by:

Ret. Chief Tom Stewart, Publications Committee Chair
