## The American Electric Power Ohio Innovation Award Application

The Ohio Fire & Emergency Services Foundation and American Electric Power present the AEP Ohio Innovation Award.

American Electric Power (AEP) follows a business model about making connections—to communities and to people. AEP is committed to their customers, communities, and Ohio through its corporate philanthropy, volunteerism of employees, excellent customer service, and economic development. Thus, the creation of the AEP Ohio Innovation Award.

Just like AEP, members of the Ohio Fire Chiefs' Association also play a significant role in their communities. The Ohio Fire & Emergency Services Foundation and AEP Ohio would like to recognize and thank an OFCA member who is innovatively making a difference in their community.

**If you are a member of the Ohio Fire Chiefs' Association who is innovatively making a difference in your community, we would like to hear from you! What are you doing within your communities to make a difference?**

*The AEP Ohio Innovation Award winner would receive a Full Conference Package for up to 3 attendees, including your hotel stay at the Hilton Columbus at Easton!*
