

Ohio Materials Marketplace and More!

December 16, 2021 at 10:00 a.m. EST

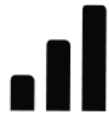

Dave Foulkes
Division of Environmental and
Financial Assistance

The [Ohio Materials Marketplace](#) aims to create a closed-loop, collaborative network of businesses, organizations, and entrepreneurs where one organization's hard-to-recycle wastes and by-products become another organization's raw material. Learn more about this platform and the Circular Economy. Also learn more about other sustainable materials management-related programs at the national level, including the U.S. Plastics Pact and U.S. EPA's National Recycling Strategy.

Materials Marketplace

1

Create economic value
for Ohio businesses

2

Divert material from
Ohio landfills

3

Make Ohio a leader
in the circular economy
