## Workers' Compensation Seminar

**3 Credit Hours**

**Registration  
available online at  
[www.ofdaonline.org](http://www.ofdaonline.org)**

## Program Presented by Barb Garrison, Safety & Environmental Solutions, OFDA OSHA Consultant

This OSHA training will feature a section on how to conduct a Personal Protective Equipment Hazard Assessment — an OSHA requirement all funeral homes **MUST** comply with. It is **IMPORTANT** that all funeral homes send at least **ONE** representative to attend the annual OSHA training seminar. In addition, refresher training on OSHA's Bloodborne Pathogens and Formaldehyde regulations will be provided. **This annual training is REQUIRED for all funeral home employees who have exposure to bloodborne pathogens and/or formaldehyde.** A brief overview of the training:

- Personal Protective Equipment Hazard Assessment
- OSHA'S Hazard Communication Standard
- Bloodborne Pathogens Standard
- Formaldehyde Standard
- Emergency Action Plans
- Questions & Answers

### IMPORTANT:

Annual training is provided to satisfy the OSHA and Workers' Compensation Group Rating Program regulations. It is **VITAL** to send at least one funeral home employee to receive training.
