Members of the 2018 OHFAMA House of Delegates

From:

Dr. Animesh Bhatia, President

Subject:

2018 House of Delegates Handbook

Date:

November, 2018

Welcome as a member of the 2018 House of Delegates. If this is your first House of Delegates meeting, we hope you enjoy the experience of seeing firsthand, your professional association at work for you! If you have questions, please feel free to ask me, any of the OHFAMA Officers, Trustees or staff for clarification or assistance.

OHFAMA belongs to the membership. The OHFAMA House of Delegates is the mechanism by which the members exercise their ownership of the Association in an annual meeting. This is done in two ways:

- 1. By the OHFAMA elections and you're voting on who will represent you during the next year as an OHFAMA Officer or, in the case of APMA, Delegates that will represent you over the next three years.
- 2. By your voting on the OHFAMA House of Delegates Business Items, Resolutions, OHFAMA Board Reports and any Bylaw Proposals that are included in your House of Delegates Handbook. (Business items requiring voting are printed on colored paper in your Handbook.)

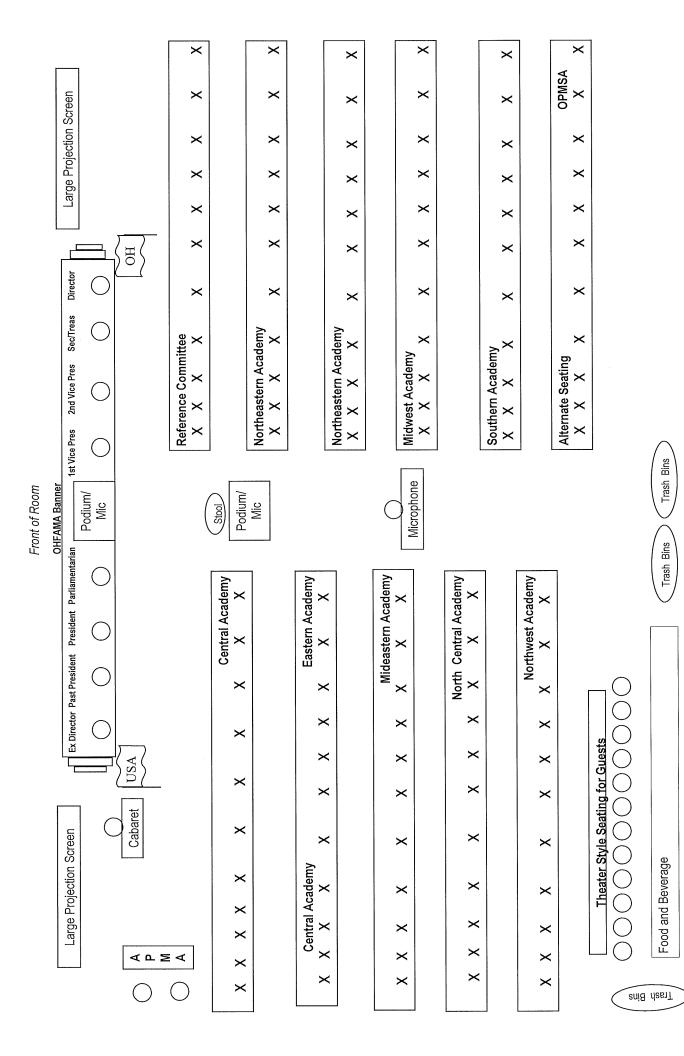

I am looking forward to seeing you on Nov 9 – Nov 10 for collegial exchange, fellowship and as stewards of OHFAMA's self-governing organizational processes.

All Delegates are asked to be in attendance beginning at 7:15 PM, Friday, November 9 for the Reference Hearing. Thom Arnold, DPM, will serve as the 2018 Reference Chair.

We hope that you enjoy your participation in the 2018 OHFAMA House of Delegates.

2018 HOUSE OF DELEGATES

Proposed Standing Rules

The governing body of the Ohio Foot and Ankle Medical Association shall be a House of Delegates. (Bylaws: Article VII, Section B-1). The Bylaws of the Association, list the composition, duties, powers, and other pertinent information concerning the House of Delegates. (Section A-G inclusive). The following rules and regulations conform to the provisions of the Bylaws:

A. ASSEMBLY AND DECORUM

- 1. All delegates shall be seated in the places provided for their delegation.
- 2. Alternates shall be seated with the component society delegation only when sitting in for a Delegate.
- 3. Deliberations of the House of Delegates shall be conducted in accordance with the rules contained in the current edition of <u>Robert's Rules of Order Newly Revised</u> (<u>Eleventh Edition</u>), when not in conflict with the Bylaws.
- 4. Proper decorum and parliamentary etiquette shall prevail always.
- 5. The Sgt. of Arms shall be responsible for maintaining decorum. She or he shall call the attention of the Delegates and Alternates to the rules and regulations pertaining to the seating of Delegates and Alternates. She or he shall perform such other functions related to decorum and security as directed by the Presiding Officer.
- 6. When Roll Call is ordered, the Secretary shall poll the Delegates without debate or discussion by the House of Delegates.
- 7. No printed matter, such as pamphlets, charts, notes, etc., shall be distributed to the Delegates unless permission has been obtained from the executive director, who shall serve as protocol officer.
- 8. Any member in good standing of this Association shall be admitted to the sessions of the House of Delegates and may obtain permission to address the House by requesting an accredited Delegate from his component society to obtain such permission from the House of Delegates. A similar request may also be made on behalf of a member, or other person, by the President of this Association.

B. BUSINESS

- 1. Two-thirds (2/3) of the elected Delegates present and certified by the Secretary shall constitute a quorum.
- 2. Any resolutions offered from the floor shall be plainly printed. Resolutions shall be submitted to the Executive Director who shall refer them to the proper committee. Any resolution to be considered by the House of Delegates must be offered by a credentialed Delegate.
- 3. Any amending must be remitted in legible writing for the benefit of the secretary. The association will have the amendment forms available for all delegates.
- 4. A special order of business may be established by a majority vote of the Delegates present and voting.

C. Conflict of Interest

1. Members of the House of Delegates who have a material financial interest or material financial relationship that may be affected by a matter before the House of Delegates must disclose said interest(s) or relationship(s) <u>before</u> speaking on the floor of the House on the matter. Others who may address the House of Delegates also must disclose any financial interests that are in conflict with the matter under consideration by the house before speaking.

D. CREDENTIALS

- 1. Only members, who are properly accredited by the association's Secretary and verified by the Credentials Committee, may be seated as Delegates or Alternates. Any contest with respect to credentials shall be resolved in accordance with Section C of the Bylaws.
- 2. The Credentials Committee shall report when directed by the Chair.
- 3. Alternate delegates do not vote unless they are replacing a delegate within their appointed delegation.

E. DISCUSSION AND DEBATE

- A Delegate wishing to address the Chair will rise, say "Dr. President, give his or her name, and the Academy he or she represents", and wait until recognized by the Presiding Officer, who shall repeat the name and the component society before the Delegate may proceed. <u>This is necessary so the records of these</u> proceedings may be kept accurate.
- 2. It is Out of Order to rise or be standing for the purpose of obtaining the floor while another person has the floor except for the purpose of making one of the motions, or taking one of the parliamentary steps that can legitimately interrupt at such time.
- 3. Any Officer of the Association wishing to address the Chair shall rise, give his name and office, and wait until recognized by the Presiding Officer, who shall repeat the name and office before he may proceed.
- 4. No Delegate may speak more than three (3) minutes at one time and may only speak twice on the same issue. The delegate should state whether he or she is a proponent or opponent (for or against) for the assembly's clarification. Debate may be limited by a 2/3 vote of the House.

F. ELECTION AND VOTING

- 1. Voting, except in an election for office or position, shall be by voice vote. Any one member, or the Chair, may demand a standing vote. A delegate, by proclaiming "division" before the chair declares the results of the vote, demands that a standing vote be done.
- 2. If an Alternate is voting, he shall announce his name and Academy, and the name of the Delegate for whom he is voting.
- 3. Nominations from the floor for any office must be for that specific office.

- 4. Nominating speeches shall be limited to three (3) minutes in length and one seconding speech of two (2) minutes in length. Nominations shall not be closed until there is no response from the inquiry by the Chair: "Are there any further nominations?"
- 5. All contested elections shall be by ballot, and a majority of the votes cast shall be necessary for election. When there are more than three candidates running for the APMA Delegate position, you must vote for three or the vote will not be counted. Any member of the Association in good standing, not otherwise prevented from holding office, may be elected to any office.

Ohio Foot and Ankle Medical Association Service Award for the Ohio Foot and Ankle Medical Association

The Ohio Foot and Ankle Medical Association (OHFAMA) Service Award will be bestowed to a deserving recipient(s) that has (have) demonstrated commitment to fulfilling the mission of OHFAMA by devotion to the association through dedicated leadership and volunteerism at the academy and state level. This is an award based on service to organized podiatry in Ohio and may include the organization's political action committee, OPPAC. Although community and professionalism are quality attributes, this award is based exclusively on service to OHFAMA as a valued leader and/or volunteer.

Criteria

To be considered for the Wall of Fame, the nominee must:

- be a member of the OH Foot and Ankle Medical Association for a minimum of 10 continuous years
- Be a current or life member of OHFAMA, or if deceased, a member in good standing at the time of death
- demonstrate outstanding professionalism and leadership to the podiatric community via service or volunteerism
- demonstrate the highest moral and ethical values associated with podiatry and the APMA Code of Ethics
- have been involved in service to the Association in one or more areas to constitute consideration: as a past academy officer; past state officer; as a current officer of the state or academy; as a Board of Trustee member of the three year cycle for at least two (2) terms (totaling 6 years); as an APMA Delegate completing two (2) terms (totaling 6 years), or having served on the OPPAC Board completing two (2) terms (totaling 6 years). This qualifying service requirement may be waived if historical circumstances were extenuating or due to an officer's or Trustee's inability to complete the term due to illness or death.
- be endorsed and advanced through the local academy to the OHFAMA Executive Director by no later than December 15th by remitting by USPS,
 - a cover letter from the academy explaining why the nominee is worthy of receiving this service award, and
 - endorsed by at least 1 academy officer and 1 member in good standing, and
 - the nominee's curriculum vitae or resume' detailing service to the association listing the position(s) served and the year(s).

Process Guidelines

Nominations will be reviewed by the Executive Committee and advanced to the full Board by no later than the next regularly scheduled meeting of the BOT. The Board may select up to two recipients annually with the recognition awarded during the annual scientific seminar. The inaugural class will consist of eight (8) inductees, one from each academy.

All nominees will be eligible for future consideration and need not reapply for consideration for the next annual cycle. If no new applications are received, re-consideration of former applicants doesn't necessarily guarantee selection. All nominations for consideration will be kept for three (3) years.

Each academy should only have one vote. Seated state officers are allowed to vote as a non-representative of their academy and if an academy has two (2) Trustees, those Trustees must collaborate to agree on one vote, and the young member will also align with their academy and collaborate for a unified vote. Therefore the total vote count would be for 8 academy casted ballots and 5 executive committee/officers for a total of 13 ballots. The Executive Director, as a non-voting member of the Executive Committee will vote in case of a tie due to an abstention.

Adopted by the Board of Trustees: October 2, 2014

Reports

Senator/Dr. Robert Hilkemann, from the Nebraska state Senate, spoke on the importance of leadership and grassroots efforts at the state level. He discussed how to become more involved at the state level and how important it is to understand who you are helping and why it is important to give back. He encouraged all members to become more involved with the state association and highlighted the need to work together to continue to advance the podiatric profession and educate people about the important services that podiatric physicians provide.

Dr. Jim Christina, APMA Executive Director, reviewed APMA's organizational structure and recent staff changes. He discussed the new "minute updates" that the APMA has started to email out to members to increase communication. Dr. Christina discussed the drafted bylaw changes and welcomed comments and feedback from all members. The new APMA registry was reviewed and he encouraged all members to utilize it, even if they do not have EHR in their practices. He discussed the APMA Annual Seminar and the new Quiz Bowl they launched during the seminar which was well received and supported. The APMA's annual media impressions statistics reached 1.75 billion impressions through various marketing efforts during 2017. He encouraged all members to be engaged with the national and state associations, as we grow stronger with member feedback and support. The APMA is going to continue to develop new affinity programs to help members with valued services that will help their bottom line.

Dr. Ira Kraus, APMA President, began by highlighting the work that had taken place throughout 2017. He discussed the many good relationships that the APMA had developed with various national organizations during the year which has been helpful with insurance and legislative challenges. He reviewed the status of the HELLPP Act and noted that the APMA met with the VA which is supporting the Bill through Congressman Wenstrup. He discussed that the APMA had been considering rebranding the national association with a name change. At this time, the association's name will remain the same, but they are working on developing a new tag line. Dr. Kraus closed by discussing that his goal as president was to advance the profession to a better place and the work being done can only move forward when we work together.

Dr. Bruce Saferin, the supervising member of the State Medical Board of Ohio, reported on the structure of the medical board and how many complaints the board received in 2017. Dr. Saferin reminded all in attendance that license renewals were now to be submitted online and that license wallet cards were no longer being issued. He discussed that the CME cycle dates are no longer 90 days before the expiration date but that you may take courses up until the date of expiration. Dr. Saferin reviewed Ohio's new Acute Pain prescribing rules and stressed that all physicians must follow the rules including utilizing the *Start Talking* form for minors. He reviewed the importance of documenting everything in patients charts to protect yourself and your license. The OARRS program was reviewed and it was noted that the program should be used every time a physician writes for a controlled substance.

Dr. Allan Boike, Dean of the Kent State University College of Podiatric Medicine, addressed the HOD. He reviewed the new class of students and noted that the class of 2022 at KSUCPM had the highest number of applicants from all 9 colleges which was up 5% from last year. He discussed student housing, new faculty changes and the alumni weekend held in 2017.

Dan Leite, of Capitol Advocates, presented the lobbyist report. He discussed positive relationships that the association has at the legislature and noted that there will be no Medicaid cuts for podiatric physicians. He reviewed several key pieces of legislation that the association has been monitoring including a physical

therapy scope expansion. The association will stay diligent and continue to educate legislators to promote podiatric physicians and protect patients. He thanked members for their support of OPPAC and noted how important it is to have access to legislators.

Dr. Animesh Bhatia, 2017 OPPAC chair, discussed the importance of having positive relationships with legislators at the Statehouse. He challenged all the Academy's to break a record with OPPAC donations.

Dr. Larry Osher reported on behalf of the Ohio Radiation Advisory Committee and discussed the GXMO test for podiatric assistants in the state of Ohio. He discussed that the current pass rate is 26% and that people who retake the exam have over a 50% pass rate. He reminded everyone that all offices with x-ray equipment must have their staff certified if they are helping with positioning patients.

Dr. Corey Russell reported on the OHFAMA Strategic Plan Pillar on Parity. He discussed the VA Parity legislation and noted that members must work together and utilize the APMA eAdvocacy software to reach out to legislators to receive their support. Dr. Russell's goal for 2018 is to develop the Parity committee and receive input from all Academy's and have a representative from each Academy on the committee.

Dr. Thomas McCabe reported on the OHFAMA Strategic Plan Advocacy Pillar. He discussed the "Point of Contact" relationships that have been established at the Academy level and reviewed the associations grassroots advocacy program through Voter Voice. He asked members to take two minutes when a "Call to Action" is received from OHFAMA or the APMA. He also asked those in attendance that if they have any politically relationships to please let the association know. Dr. McCabe concluded by discussing the importance of supporting OPPAC and the APMA PAC.

Dr. Mark Gould reported on the OHFAMA Strategic Plan Pillar of APMA Relations. He discussed the development of a good working relationship with the APMA over the past 2 years. The association meets with the APAM twice a year and the APMA participates by calling in to every OHFAMA Board meeting. Dr. Gould encouraged members to open emails and surveys from the APMA due to the important information that is being sent. He encouraged all those in attendance to review the proposed APMA Bylaw changes and submit comments to him or Dr. Rumberg before the November 30th deadline.

Dr. Alan Block reported on the OHFAMA Strategic Plan Pillar of External Relations. He discussed how the association has reconnected with the school and that it is important to engage with the students. He noted that students have a different view of podiatry from those that have been in practice for a long time, so it is important to reenergize yourself when working on future goals.

Dr. Thomas McCabe, OHFAMA President, read the Necrology Report to the assembly in a brief memorial.

Business Session

Dr. Jimelle Rumberg, OHFAMA Executive Director, reported on the many successes of 2017. She thanked the full board and the pillar chairs for their time and noted that the pillars will be redeveloped within the next two years. She discussed the associations mission to advance the profession and reviewed the scope expansion for HBOT as one example of growing the profession. Dr. Rumberg discussed challenges with the state pharmacy board but vowed to remain diligent on various new items being proposed that will make it a challenge to treat your patients effectively. The association and newly formed Foundation continue to support public outreach and the statewide radio campaign will be continued in 2018 including two new commercials. She reviewed the ever-growing annual seminar and highlighted the different labs and breakout sessions that were offered at the 2017 seminar. She discussed the association's continued outreach to work with fellow medical associations and organizations, and the importance of communication. She thanked members for their continued support of the association.

Dr. Thomas McCabe, OHFAMA President, discussed how proud he was to represent the association over the past year. He thanked all members, board members and volunteers for their time and devotion to the profession. He discussed the new insurance program that is a member benefit being offered through the State Medical Association and noted that due to our working relationship with them, that they approached our association to be included. Dr. McCabe discussed his experiences over the year as president and stressed that all members should not refer to themselves as "healthcare providers" but as "physicians." He discussed that podiatric physicians are the best trained and qualified people to give podiatric care to patients and that our members should be proud of that. He encouraged members to get involved with the association, if not at the state level, then to start at the Academy level.

Dr. Michael Bodman discussed the 2018-19 OHFAMA Budget.

A motion was made and seconded to adopt the 2018-19 OHFAMA Budget. The motion was adopted.
