Course Overview

The Ohio General X-ray Machine Operator Course is provided by the Ohio Foot & Ankle Medical Foundation, an approved provider by the Ohio Department of Health.

This course will be held virtually via the GoToMeeting platform. During the week of the course, log in instructions will be sent to the registrant via GoToWebinar at the email address provided.

Printed course materials will be mailed to registrants before the program.

To verify attendance, roll call will be taken at the beginning of the course, after lunch, and at the conclusion of the program.

Participants will also have the opportunity to ask questions and interact with the instructor in real time throughout the presentations.

All initial course registrants will receive instructions for scheduling the licensure test upon completion of the course.
