

# ELIMINATE 99.9% OF SARS-COV-2 IN THE AIR AND ON SURFACES

## HOW IT WORKS

1. Uses oxygen and water molecules from the air
2. Converts into powerful microscopic oxidizers similar to what occurs in natural sunlight
3. Is propelled into the entire air space
4. Seeks pathogens in the air and on surfaces
5. Destroys pathogens and contaminants on contact - including Sars-Cov-2

Perfect for guest  
rooms, shuttles, &  
offices
