OHIO HIGH SCHOOL BASEBALL COACHES ASSOCIATION

Dear OHSBCA Members,

Welcome to the **63rd annual OHSBCA State Clinic**. This 2014 state coaches clinic is entitled “**Tools of the Trade**” since we all are here to gain the valuable tools needed to make our teams be the best at their trade. The Ohio High School Baseball Coaches Association remains the 2nd largest coaches association in the United States. With the number of high school and college coaches in attendance, our great lineup of speakers traveling from 8 different states, and our vendors from all over the country, this clinic is most assuredly one of the best in the entire country.

I have had the opportunity to be member of this great association for 23 years, 21 as a head coach at three different schools across the state. With my involvement on this board for the past 6 years, I have seen the giant steps forward the association has made. It is my honor to give back as Director of the 2014 State Clinic. This venue at the Hyatt Regency and Columbus Convention Center is just one example of what a first class operation we all are here to witness. If there is anything that any of our 24 board members or the Hyatt personnel can do to make your experience more enjoyable, please let us know. Your board is committed to making this a most enjoyable and rewarding experience, and represents you throughout the entire year.

We have the opportunity to recognize and honor four (4) of our own with their induction into our OHSBCA Hall of Fame this weekend: **John Dorner, Chuck Harlow, Ron Janey, Jeff Short**. I truly hope that you take the opportunity to attend our banquet on Friday noon in the Ballroom to honor these four great men who have given so much to their schools, community and our association. There are also many other awards given to your peers and scholarships to the children of our members; you should not miss this banquet. I have taken great pride in putting together a great lineup of clinic speakers who have a variety of messages that will help you attain “**Tools of the Trade.**” During my 21 years as a head coach, I have attended as many clinic sessions as I can and feel the OHSBCA clinic is second to none in the speakers we provide. I would ask you to do the same and I have to believe that you may possibly take more than one “**Tool of the Trade**” from this list of speakers:

Rob Smith-Ohio University

Bob Morgan- Former Indiana University

Greg Beals- The Ohio State University

Keith Vorhoff- University of Kentucky

Brian Harrison- Baldwin Wallace

Ty Neal- University of Cincinnati

Steve Trimper- University of Maine

Brad Warnimont- University of Rio Grande

2013 OHSBCA President, Lee Day - Lebanon High School

Lee Day will be ending his year term as President of the OHSBCA at the conclusion of the state clinic. Lee retired from coaching baseball at Lebanon High School at the end of the 2010 season after serving as the Warrior head coach for 29 years. He began teaching and coaching at Lebanon H.S. in 1979 as a varsity assistant in football, sophomore basketball coach and JV baseball coach. He was named the head baseball coach for the 1982 season at the young age of 24 and also served as the head football coach from 1985-87. A 1975 graduate of Edgerton HS in northwest Ohio, Lee went on to play both football and baseball at Ohio Northern University earning his B.A. degree in Math Education in 1979. He earned his M.Ed. from Xavier University in counseling in 1983 and has been a high school guidance counselor since, now completing his 35th year in education. During his baseball coaching career, Day's teams won 352 games with 3 league titles and 2 district runner-up finishes. He served as president of the Miami Valley Baseball Coaches Association 3 years and was named to the Dayton area Hall of Fame in 2000. He is also well known for his basketball

officiating, having officiated now for 34 years. He has been fortunate to work 21 boy's regional tournament games and the OHSAA State Championships 6 years. He was inducted into the Middletown Basketball Officials Hall of Fame in 2006. He and his high school sweetheart, Jodi, have been married for 33+ years having two sons, Trevor and Clint.

Welcome from OHSBCA President, Lee Day

Welcome everyone to our 63rd annual State Clinic. It has been my great honor to have served on the Executive Board for 10 years as the Southwest District Rep and the past 3 years going through the Presidency chairs, and now only 1 year left. This time next year, I will be ending 14 years on this Board. I would recommend this to any coach who would like to give back to the greatest sport of any, have the opportunity to meet a lot of great individuals, and serve an organization dedicated to the young men who play America's game. When I began coaching 35 years ago, I did not set out to do this; but, I would not trade a minute of my experience. Thanks to Tim Engleka for asking me to serve on the OHSBCA Board. This organization is in great hands with the leadership you have elected: Dave Hall, Trevor Thomas, Kevin Yoder, Dave Barrow, Scott Manahan, Dave Burkett, Ray Benjamin, Jeff Mielcarek, Frank Gamble, Curt Karpinski, and Don Schone.

His baseball teams were Southern Valley Athletic Conference champions both years — the only baseball championships in that school’s history. He then went to his high school alma mater, Gallia Academy, for four years. There, he was an assistant football coach all four years and head tennis coach for one year.

In 1980, he then went to his final destination, Logan High School, where he stayed until his retirement in 2013. His Chieftains were also ranked in the top 10 of the state coach’s poll seven times.

Janey served as a coach for the Mizuno All-Ohio Series in 1983 and 2000 as well as a coach for Team Ohio in Oklahoma in 2000. His overall high school baseball coaching record was 402-193. Jeff Short - Westlake High School

Coach Jeff Short's tenure with the Westlake High School Demons began 27 years ago when he was named the freshman baseball coach in 1986. The next year he moved up to become the junior varsity coach and in 1989, he was named head coach. In 24 seasons as head coach, he compiled an overall record of 345-242 including 20 winning seasons. He was named Southwestern Conference Coach of the Year three times, named The Plain Dealer Coach of the Year twice, was a Greater Cleveland Baseball Coaches Association Coach of the Year and was inducted into the Northeast Ohio Baseball Coaches Association Hall of Fame in 2010. In May 2013 he received another honor as he was inducted into the Crow's Nest Hall of Fame by the Lake County Captains Baseball organization (Cleveland Indians Class A Affiliate).

During his head coaching career, the Westlake Demons earned four Southwestern Conference championships, made 12 appearances in Districts, earned three regional appearances and in 2012, the team played for the Division I State Baseball Championship. No other team in the history of Westlake High School has ever made it to the state title game in any sport. The team finished 2012 with a 24-7 record, which are the most wins in school history.

What made the 2012 run to the state championship game even more special was that earlier that year; Coach Short announced that he would be retiring from coaching baseball at the end of the season. He remains a math teacher with the Westlake City Schools where he has taught for the past 28 years.

Coach Short was honored to represent Northeast Ohio as a Mizuno All-Ohio Series Coach in 1996. He was named the Greater Cleveland Baseball Coaches Association All-Star Game coach in 1996, 1997, 1998, 1999 and 2002, and has coached several Jacobs Field All-Star games over the years.

Coach Short has been a member of the OHSBCA for 25 years and served on the State Board from 1994-96. He also was a member of the State Coaches Poll.

Seven Westlake High School baseball players have been selected to the Mizuno All-Ohio series teams over the years. More than 50 players have signed on to play college baseball and one player signed a Major League Baseball contract. Former player Chris Holick (Westlake High School Class of 1995) is the current assistant baseball coach at The Ohio State University.

In addition to coaching baseball at Westlake High School, Coach Short has coached boy's junior varsity and varsity boy's basketball. He also was the girl's varsity basketball head coach for three seasons. He continues to stay active with basketball as he currently serves as a basketball official in the Cleveland-area.

His motto for coaching and in life is to "always surround yourself with good people." He is grateful to his coaching staffs over the years for their support and dedication.

Jeff grew up in Archbold, Ohio (near Toledo) before moving to Northeast Ohio upon graduating from the University of Toledo with a degree in elementary education. He also holds a master's degree in Sports Management from Cleveland State University.

He resides in Avon, Ohio with his wife of 20 years, Julie Verba. The couple is the proud parents of a three-year-old son, Jason. You may find Coach Short on a Little League field someday!

(Taft C-D)**

Body Timing: Creating an efficient hack

Great hitters rely on the timing of their body to get their hits; poor hitters rely on the timing of the pitch to get their hits (glorified 5 year olds)

Swing efficiency

- the number of clicks from toe touch to swing launch

Body timing

- The body's ability to be in sync with itself
- The timing of the hands back simultaneous with toe touch
- Locking and unlocking body parts in sequence

Creating an efficient swing

Back knee pushes stride foot forward

- Creating a load with positive energy
- Initiating the back side before toe touch
- Controlling the tempo of the load

Posture

- How to achieve dynamic balance in the swing

Separation

- It is physically impossible to swing without core stretch
- Creating a 45 degree angle to launch from
- Hands behind rear elbow and inside front elbow

Bat Path

- Predetermined by posture and separation angle

Friday 10:00-10:30 AM “1st & 3rd Situational Defense”
(Grant/Harding)

“A DEFENSE FOR EVERY OFFENSE”
FIRST AND THIRD SITUATIONAL DEFENSE

Defending against a team with runners on first base and third base is one of the most challenging situations in all of baseball to be in. The offensive team has several options at this point in the inning which could create a great deal of pressure and confusion for an unprepared defensive team. In many cases, the offense wins these battles because teams just aren't prepared or planned out defensively. A coach must have his team primed and alert for what could happen next, you must have *“a defense for every offense”*.

Remember, many times the offense will want to accomplish one of two things: (1) steal a run with the runner from third base, or (2) stay out of the double play by advancing the runner at first base up to second base.

Step 1: Evaluate the game situation

- First question: who is the important out; the “2 Run Rule”
- Speed of runners on base, who is the fastest?
- Type of hitter at plate
- Score and inning of game
- Number of outs and the difference between 2 outs and less than two outs
- Ability and arm strength of the defensive players

Step 2: Determine your defensive strategy

- Coach gives player defensive sign, player relays the play to team
- 2 out scenario
- PLAY 1: THROW THROUGH TO SECOND BASE
- PLAY 2: THROW TO SECOND BASE WITH OPTION TO CUT
- PLAY 3: THROW TO THIRD BASE or FAKE TO SECOND THROW TO THIRD
- PLAY 4: THROW STRAIGHT TO SHORT STOP
- PLAY 5: THROW TO PITCHER
- PLAY 6: EARLY BREAK DEFENSE
- PLAY 7: THIRD TO FIRST MOVE
- PLAY 8: PITCH OUT

Step 3: Execute the defensive play

- Each position has a responsibility - eyes up and alert, know where to be/what to do
- Catching and Throwing - handle the baseball, errorless
- Communicate - runner breaks, being another's eyes, etc.
- Holding runners - pitchers time to plate, step off, throw over, verbal alerts, etc.
- Control the rundown - one throw, no more than two
- Don't hold the ball - that isn't a play, don't show them your weakness

KEYS TO REMEMBER:

- THINK AHEAD
- Get base runner moving at full speed
- Keep the base runner moving back in the direction or the base he came from
- No close plays at the base ahead
- Be aware of the runners distance off third, and listening for your third baseman's alert
- Don't force off balanced throws
- Never throw through with tying and/or winning run on third base
- A great deal of responsibility falls on the “battery” between your pitcher and catcher
- Recommended times to run 1st/3rd offense: **2 outs** best time, **1 out** is okay, **0 out** never

POSSIBLE OFFENSIVE STRATEGIES FOR FIRST AND THIRD SITUATIONS YOU MAY HAVE TO DEFEND:

- (1) DOUBLE STEAL, (2) BIG LEAD, (3) EARLY BREAK, (4) FIRST MOVE ON LEFTY, (5) DELAY STEAL

Head coach Mike Estep is quoted as saying “Matt teaches a tough, old school approach to the catching position and brings a passion every day to teaching the fundamentals of the game to our players. Most of all, the rapport and the relationships he has established with past and present players has been a big reason as to why we have had success over the past 13 years.” Matt has been a member of the OHSBCA for the past 13 years.

SOUTHWEST-Greg Leurck (Oak Hills) Greg joined the baseball staff at division I Oak Hills in Cincinnati while a student teacher in 1999 as the head junior varsity coach. 2013 Season Highlights

Winning the 2013 state championship was an incredible journey!! We began the season as the defending state champions and knew we would get everyone's best shot during the season and the tournament. We returned just three starting position players and only ten innings pitched from our 2012 state championship team, so this team had to quickly create its own identity. The 23 players battled every day in conditioning, practice and games to get better and to make the Moeller community proud. After starting off the season 11-0, we lost two out of three games. It was a tough pill to swallow, but it helped the team to regain its focus and we went on to win our final 20 games and capture Moeller's seventh state baseball title in 50 years of varsity baseball. A big thank you goes out to my coaching staff and their commitment to the Moeller baseball program—Andy Nagel, Tony Maccani, Jason Cisper, Marc Marini, Mike Cameron, Mike Hayes, Pat McLaughlin, Ron Roth and Ken Robinson. A bigger thank you goes to my wife, Leslie, and two boys, Drew (9) and Alex (6) for the sacrifices they make to allow me to coach every spring.

2013 Highlights

Winning the State title was very rewarding for the Defiance baseball program as this is only the second time in history (1992). This team was picked second in our league to Wapakoneta (2012 State Runners-up) and was able to win the league as well as win the State Title with a school record 31 wins.

We had 10 seniors on the team and only four of them were full-time players. Each and everyone of those seniors new their role and were major contributors throughout the season.

The players were the main reason this team was able to accomplish what they did, but if it wasn't for our coaching staff this could not have happened.

I would like to thank our assistant coaches, Rick Weaver, Braendon Fisher, Collin Trudel, Shane Coleman, Mark Vittorio, Justin Sonnenberg, Eric Fishpaw, and Bryan Flory.

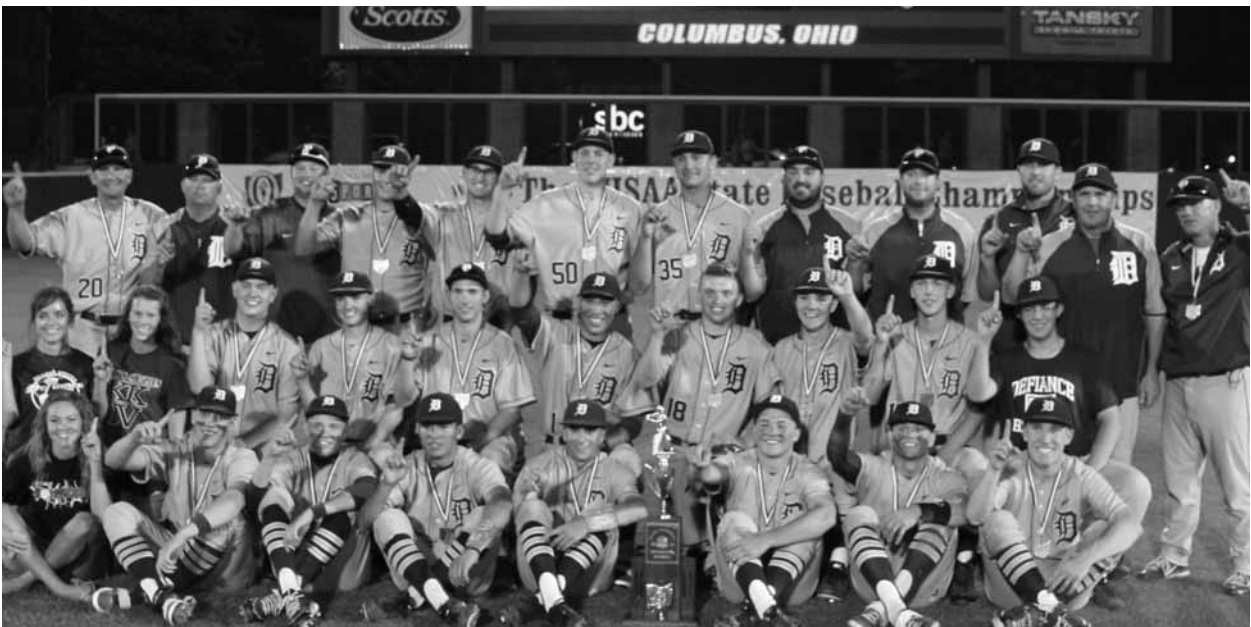

I would also like to thank my wife Deanne and 3 kids, Chayse, Cassidy, and Calvin for allowing me to spend so much time with our great game of baseball.

2013 Season Highlights

The 2013 baseball season was truly a blessing for our baseball program and community. After winning our school's second state championship in baseball in 2012, our team demonstrated that they had the mental toughness it would take to travel the road to another championship. From day one, this team decided to accept the challenge and embrace the ingredients that have become characteristic with our program: the selfless attitude that our team carries itself with to foster a sense of brotherhood, the integrity to be good citizens both on and off the field, and a ferocious passion to play the game with intensity and discipline on a consistent basis. It was truly a pleasure to watch these young men compete and incorporate these values into every aspect of their lives. We were led by six seniors who decided that past accomplishments would not define their final season wearing the orange and black, and with their commitment level, the other players followed suit and we traveled the path toward achieving our goals. The season culminated with our school's 3rd State Championship in baseball and lifetime of memories for our players and community that will never be forgotten.

I would like to thank my Lord for blessing our program and providing the opportunity for our team to be successful. I would also like to extend my sincere thanks to our players for their commitment to excellence, and most of all for their friendship which will remain in the hearts of our coaching staff for eternity. And speaking of my co-head coaches, your effort and dedication to serving our young men is the reason why our program is where it is today. Thank you and your families for the sacrifices you make to help develop the young people in our community. Finally, I would like to thank our administration and community for their continued support, and most of all, my wife Jennifer and daughters Bailee, Rilee, and Ava, for their patience and love during the year to help make this a family affair.

5 OHSAA State Championships (1988, 89, 2004, 06, 13)

I must congratulate New Middletown Springfield for playing a classic championship game. It was a well played contest that we were fortunate to edge past the Tigers 2-1.

Our team was hungry to win our school's seventh state baseball title. Several players in our dugout had experienced not only losing in the state baseball tourney a couple times in the past, but also a Final Four in basketball, and the 2012 Div VI title game in football.

I also believe the strength of our regular season schedule helped inject the maturity of our players to a very high level. A special thanks to our players, coaches, administrators and parents for a job well done. Our title game crowd, estimated at 4,000 fans, was fantastic.

As a team in our eight post-season games, we had a team batting average of .463, outscoring our opposition 110-8. We had 21 strikeouts offensively. Defensively, four runs were unearned. We committed just four errors, three of those in one game, and has one passed ball.

This was a fun bunch to coach. Humm Baby!

Base running is under taught and overlooked.

Good Base running will help you score extra runs.

Take care of the little things. Big things take care of themselves.

Most of our conditioning in practice is on the bases.

I take pride in being a good base running team- not the fastest, but run bases well.

“If it's important to you and you emphasize it, it will become important to your players.”

Saturday 9:20-10:05 AM “ Using the Short Game”
(Union A-B)

MAJOR PHILOSOPHY:

Put pressure on defense: Don't be afraid to fail

BASE RUNNING:

- One of the most under taught aspects of the game
- Practice during batting practice for live looks
- Utilize BP screens

Out of the Box Rule

- Fly balls get to 2nd base
- Ground balls get to OF grass

1. First Base:

Primary leads: 3 ½ steps.....off set feet like a “sprinter”
Secondary leads: 2 shuffles before action

2. Stealing second base: “7.2 runners can steal 20 bases”

Clear hips with elbow, stay low like an airplane taking off
Look for tendencies in pitcher
Draw out good moves...One way leads
Run on off speed counts
Look for lazy catcher with signs
First move on LHP and RH right handed first basemen (watch for flip move)

3. Stealing third base:

Walking leads
Utilize 3rd base coach- Verbal cues
See grip of pitcher for running pitch

4. Hit and Run: An aggressive sacrifice (PLAYING FOR A BIG INNING)

Coaches.....hitter's counts...need a strike....NOT WITH 2 OUTS!!!!
One way lead....do not get picked off
In, out, over
Do not get fooled on INF deek play
Pop-up slide

Other base running points:

Delay steal- extra shuffle step in secondary lead
Run and Hit- 3-1 and 3-2 counts... steal the base
Fake bunt and Run(Squeeze situation)
2-2-2 running count

SLIDING:

Why we slide

- avoid tag
- slow down
- avoid injury

Bent leg slide.....”Figure 4”

Pop-up slide....great vision and fastest to move on

On deck hitters help at home plate

Back door slides

BUNTING:

Three Reasons why you would bunt:

1. To move a runner into scoring position. (Sacrifice)
2. To get on base. (Drag, Push)
3. To score a run. (Squeeze)

Grip.....bottom hand middle of tape, top hand at label

Don't drop the barrel...use knees to get low pitch

Timing is only thing different for sac, base hit or squeeze

Sac: pitcher movement

Base hit: separation of hands

Squeeze: point of no return

Keep ball away from pitcher

Left handed batter- left foot on ground stepping at pitcher on contact

SLASH:

Automatic on crash defenses

Early Square around

Pitcher point of no return to load

Weight on front foot

Grip to middle of the tape

COACHING THE BASES:

1st base coach helps on pick offs

- When trying to see a “LAZY CATCHER”
- Back door picks from 1st baseman

3rd base coach:

Simple, but hidden signs

Give signs with runners on the bag

Have runner show number of outs

Help runners steal 3rd base

Only help runners with 1st to 3rd and ball to RF

Scoring with ball in OF

Points of emphasis:

Stance - Start and finish like a trophy
Head - Never moves
Hands - A, B, C, D, E, F
Body - Rotate belly button to target
Ball - Flight tells good or bad swing

Tee Work:

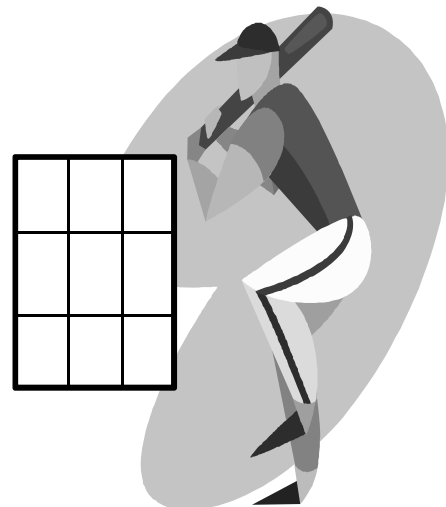

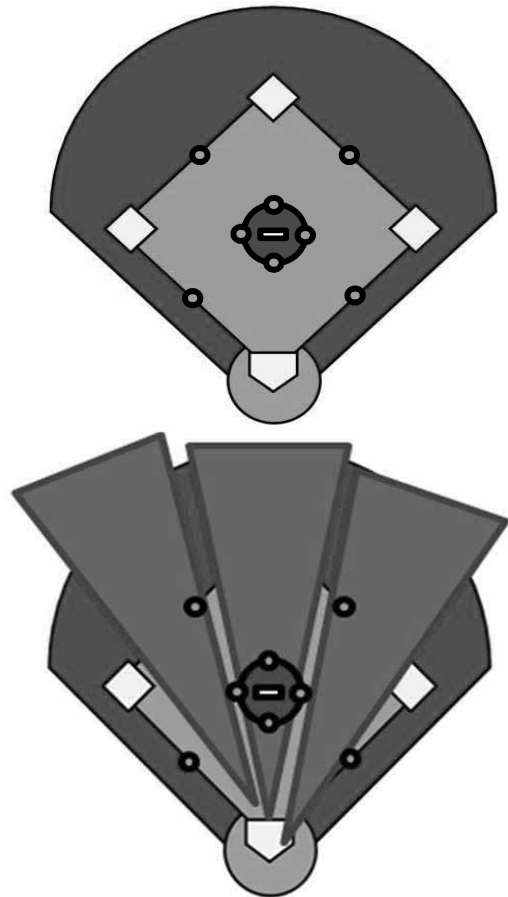

Outside Pitch - High, Middle, Low
Middle Pitch - High, Middle, Low
Inside Pitch - High, Middle, Low

Toss Work: 2 Locations

At side of hitter
In front at 45*
Same zones as tee work

Variations:

4 players to group; Hitter, Tossers, Fielders
Just work certain zones
Number of swings

2013 Season Highlights

Winning the State title was very rewarding for the Defiance baseball program as this is only the second time in history (1992). This team was picked second in our league to Wapakoneta (2012 State Runners-up) and was able to win the league as well as win the State Title with a school record 31 wins. We had 10 seniors on the team and only four of them were full-time players. Each and everyone of those seniors new their role and were major contributors throughout the season. The players were the main reason this team was able to accomplish what they did, but if it wasn't for our coaching staff this could not have happened.

I would like to thank our assistant coaches, Rick Weaver, Brandon Fisher, Collin Trudel, Shane Coleman, Mark Vittorio, Justin Sonnenberg, Eric Fishpaw, and Bryan Flory. I would also like to thank my wife Deanne and 3 kids, Chayse, Cassidy, and Calvin for allowing me to spend so much time with our great game of baseball.

The 2013 Ontario team was led by five outstanding seniors. Tyler Beal, Mitch McCristal, Vinny Sansalone, Wyatt Clemons and Justin Henry were great players and leaders. Ontario won 20 plus games a year all four of their high school years. The seniors were part of 2 District Championships, 3 NCC Championships, 3 Sectional Championships and two State Poll Championships. Ontario won the North Central Conference championship for the second straight year. We lost to Bloom -Carroll in the Regionals. Twenty seven wins set a new school record. We played outstanding defense with only 35 errors in 31 games. Our hitting was solid with a team BA .375 and only 74 strikeouts. Mitch McCristal and Tyler Beal had over 20 wins apiece over the last two years. Mitch McCristal and Vinny Sansalone are

playing ball at Mt Union and Wyatt Clemons is playing outfield for Grace College. I believe a huge reason for our success has been team chemistry and an unbelievable work ethic. Our players treated each other with respect and worked harder than any team I have coached.

2013 Season Highlights

Our 24 wins marked the most victories in a season since our state championship season in 2003, when we finished with a record of 30-3. Although we came up short in the District Title game, we did win two invitational tournaments (Redskin Classic and the WCSM/St. Henry Bank Invitational). Our biggest victory of the season came on the road at Minster, who entered the game ranked #1 in the state and the 2 time defending state champions. We won the game by a score of 8-6. Our pitching and defense combined to hold our opponents to three runs or less in 23 or our 30 games. We ended up outscoring our opponents by a total of 208-83 on the season.

The Redskins were lead by three seniors: Derek Rindler (CF), Alex Post (SS), and Devin Froning (3B). Rindler earned First Team All Ohio Honors and a spot in the Mizuno All Star Series. Junior teammate, Jeff Paul, also earned First Team All Ohio Honors at the Utility Position. "Not every player received individual honors in 2013, but every person in the program earned the recognition as a State Poll Champion. I wish to thank the entire team for devoting so much time and effort into a great season."

"I have been incredibly fortunate to coach in a supportive community with an outstanding and loyal coaching staff, all of whom are former players at St. Henry High School. These men have dedicated numerous years and countless hours toward the success of St. Henry Baseball and deserve the biggest share of credit for our success. I would like to acknowledge Dave Borger (23 years as J.V. Coach), Neil Schmitz (10 years as Varsity Assistant), Bill Gast (9 years as Varsity Assistant), Kyle Kunk (5 years as Freshman Coach), Jordan Jacobs (5 years as Varsity Assistant), and Josh Link (3 years as Varsity Assistant). A special thank you should also be extended to the Administration at St. Henry Schools for all of your support. And finally, most of all, I can never express enough gratitude to my lovely wife, Brenda, and our children, Nora and Mitchell, for letting me be a small part of such a wonderful baseball tradition at St. Henry Schools. You guys are the best!"
