Dear Coach Estep:

It is with great pleasure that we present to you today this certificate of achievement from the National Federation of State High School Associations representing your recognition as Coach of the Year for Ohio.

You have had and continue to enjoy a most distinguished career as a baseball coach in Ohio's interscholastic program at Wheelersburg High School. The fact that you were nominated for this award by your coaches' association is a significant tribute to you and to the high regard with which you are held by those in your school community.

I regret that I am unable to personally present you with this outstanding award, but the Board of Directors and our staff extend to you our very best wishes. Your name was presented to the Board at its February 13 meeting, and we anticipate additional publicity in the near future.

Best wishes for continued success in your work and for good health and happiness in the years to come.

Respectfully,

Daniel B. Ross, Ph.D.
