OHIO HIGH SCHOOL BASEBALL COACHES ASSOCIATION

6/15/26

Good Evening Coaches,

On behalf of the Ohio High School Baseball Coaches Association, we would like to apologize for the email sent on Friday evening regarding the All-Ohio results. That email was intended only for our Executive Board and Board of Directors to review the teams for proofreading purposes. Unfortunately, it was accidentally released to the public. Once we were notified of the error, the live link was removed and access was restricted to members of the OHSBCA Board of Directors.

Our board has now completed its review for spelling, school, and grade-level accuracy, and we are pleased to officially release the 2026 OHSBCA All-Ohio Teams for Divisions I–VII.

We appreciate your understanding and apologize for any confusion this may have caused.

The All-Ohio teams are selected by the 20 poll-voting coaches in each division. The process begins with nominations submitted by our member coaches, followed by voting conducted by the division's poll voters from across the state.

Congratulations to our 2026 All-Ohio honorees, Players of the Year, and Coaches of the Year!
