

ARE YOU RUNNING YOUR BUSINESS OR IS IT RUNNING YOU?

**Clarify.
Simplify.
Achieve
your Vision.**

IS THIS YOU?

Many of the most successful entrepreneurs and business leaders work longer hours and get less return on their investments of time and money.

Maybe you grapple with some of these challenges:

- **Lack of control** over time, markets or your company.
- **People** who don't listen, understand or follow through.
- **Profit** that's inconsistent and/or there's not enough.
- **Growth** is happening, but you can't break through to the next level.
- **Quick fixes** that come-and-go, bringing little change with continued frustrations.

DON'T LET YOUR BUSINESS RUN YOU!

Get A Grip On Your Business.

Are you a business owner or a senior level executive and want to see your business consistently run better and grow faster? Jim will deliver a powerful, inspirational presentation that will introduce you to the Six Key Components™ of a successful business.

Jim's interactive style and experience-based real-world insight makes this an eye-opening event for growth-oriented business leaders.

At the conclusion of this complimentary workshop, you will walk away with a set of simple, practical tools that you and your leadership team will use immediately to focus on priorities, get clear on issues and gain traction together, as a healthier leadership team.

Certified EOS Implementer®

jim.bygland@eosworldwide.com

"EOS has been really powerful for us. The advice that I would give any business considering EOS is that you need to do it yesterday. It has been a game changer for our company. "

SEAN KOUPLEN

CEO & Chairman, Regent Bank

"We have been using Traction, and for the first time in over eight years of being in business, our leadership team and employees are working on the right things every day. I have never been more excited where we are headed as a company. "
