

AMERICAN OSTEOPATHIC ASSOCIATION

CLINICAL ASSESSMENT PROGRAM

www.osteopathic.org/pqri

Use the Clinical Assessment Program (CAP) to qualify for a 2% Bonus payment under CMS' Physician Quality Reporting Initiative (PQRI)

The AOA-CAP:

- Maximizes your PQRI incentive
- Automatically validates your data
- Minimizes data entry time (requires as few as 30 patient records)
- Eliminates claims and coding
- Now includes thirteen measure groups:

- | | |
|--------------------------------|-----------------------------|
| - Back Pain | - Heart Failure |
| - Chronic Kidney Disease | - Hepatitis C |
| - Community-Acquired Pneumonia | - HIV/AIDS |
| - Coronary Artery Bypass Graft | - Ischemic Vascular Disease |
| - Coronary Artery Disease | - Perioperative Care |
| - Diabetes Mellitus | - Preventive Care |
| | - Rheumatoid Arthritis |

How?

- Access CAP PQRI at www.osteopathic.org/pqri

Questions?

- Contact Angi Beranek (800) 621-1773, ext. 8198 or aberanek@osteopathic.org

Don't miss this opportunity!

After 2010, the 2% bonus payments start to reduce.
