# 2015 MIDYEAR PROGRAMMING

Pharmacists from all practice settings will be energized with the CPE programming by expert faculty. The meeting offers **one hour of Ohio Board of Pharmacy-approved jurisprudence credit** with an Ohio pharmacy law update.

## ASTHMA-COPD OVERLAP SYNDROME (ACOS): DIAGNOSIS AND TREATMENT

A significant proportion of adult patients over age 40 who present with symptoms of a chronic airways disease have features of both asthma and COPD. Our speaker will provide an overview of how to distinguish between asthma, COPD, and the overlap of asthma and COPD, as well as a simple approach to initial treatment of ACOS. Key points of the 2015 global initiatives for asthma and COPD (GINA & GOLD) joint report on ACOS will be emphasized.

*Kyle Melin, PharmD, BCPS, AE-C, Assistant Professor, University of Puerto Rico, School of Pharmacy*

Application-based activity

## PROFESSIONAL LIABILITY CLAIMS: IMPLICATIONS FOR PHARMACISTS

Using examples from actual court case decisions, this session will cover the standards by which the performance of a pharmacist is measured in a professional liability lawsuit, and define terms such as “right to settle,” “occurrence,” and “claims filed” in professional liability coverage. Concerns for pharmacists with professional liability claims, and the amount of damages suffered by the plaintiff necessary to support such a claim will also be addressed.

*Joseph L. Fink III, BSPHarm, JD, Professor of Pharmacy Law and Policy, University of Kentucky*

ACPE #0129-0000-15-083-L04-P 0.1 CEU

## PHARMACY LAW UPDATE 2015

This year has brought significant changes in Ohio law and board rules that impact pharmacy practice. Our speaker will share key points and what pharmacists need to know about rules for immunizations, compounding, naloxone dispensing, OARRS and more. This session is a must for all pharmacists-- bring your questions! This program has been approved by the State Board of Pharmacy for 0.1 CEU of Ohio jurisprudence CE credit.

*Terri Ghitman, R.Ph., OARRS Pharmacist, Ohio State Board of Pharmacy*

ACPE #0129-0000-15-084-L03-P 0.1 CEU

## ANXIETY REVIEW AND TREATMENT OPTIONS

Occasional anxiety is something almost everyone faces at some point, but when it gets to be too much, what do you do? Anxiety disorders involve more than temporary worry or fear and can interfere with daily activities including job performance, school and relationships. Our speaker will describe common anxiety disorders, their implications, and appropriate treatments.

*Rose Pavlakos, PharmD, R.Ph., PGY2 Resident, Internal Medicine Clinic, The Ohio State University*

ACPE #0129-0000-15-085-L01-P 0.1 CEU

## NUTRITION IN KIDNEY DISEASE

Kidney disease has vast implications, not only on patients' medications, but on their nutrition as well. Appropriate diet and nutrition are a critical part of living well with kidney disease. During this session, the speaker will review the different stages of kidney disease and the changes in the nutritional needs of patients during each stage and dialysis.

*Lauren Tipton, MS, Patient Services Manager, Nutrition Department, Mount Carmel West Hospital*

ACPE #0129-0000-15-086-L04-P 0.1 CEU

## RHEUMATOID ARTHRITIS: AN EVOLUTION OF TREATMENT OPTIONS FROM A PATIENT PERSPECTIVE

Over the past 20 years, the management of rheumatoid arthritis (RA) has dramatically evolved, so much that treatment goals have transitioned from symptom management to remission. With the aid of a pharmacist-patient perspective, you will learn about RA treatment strategies including mechanism of action and side effects, and begin formulating strategies to appropriately counsel your patients.

*Joshua W. Gaborcik, R.Ph., PharmD, PGY2 Ambulatory Care Pharmacy Resident, The Ohio State University*

ACPE #0129-0000-15-087-L01-P 0.1 CEU

## DISSECTING AND PREVENTING MEDICATION ERRORS

There are many risk factors associated with medication errors that can be identified and strategies developed to minimize them. This session will help identify medication error risks and discuss the steps in investigating them. The implementation of corrective and preventive actions will be addressed, as well as how to address errors through the application of training and standard operating procedures and the use of technology.

*Janet Robertson, R.Ph., BCNP, Manager of Quality Assurance, Nuclear Pharmacy Services Division, Cardinal Health*

### CONTINUING PHARMACY EDUCATION CREDIT

This meeting is targeted to all pharmacists. The continuing pharmacy education for this program is coordinated by the Ohio Pharmacists Foundation (OPF). To receive continuing pharmacy education credit, pharmacists must attend the entire session, actively participate, and complete the CPE form indicating sessions attended. Sign, date, and return the CPE form to the OPA staff, or to the OPA office **within 30 days of the meeting**. CPE credit will be uploaded to the CPE Monitor where CPE statements of credit can be printed. Learning objectives for the continuing pharmacy education programs can be found on the OPA website at [www.ohiopharmacists.org](http://www.ohiopharmacists.org). All CPE sessions are knowledge-based activities unless otherwise indicated. Disclosure of faculty and commercial support relationships will be made known at the activity.

### CONFIRMATION AND HOTEL INFORMATION

Upon registration, a confirmation letter or email will be sent to you along with hotel information and driving directions. From the OPA homepage ([www.ohiopharmacists.org](http://www.ohiopharmacists.org)), you can also click on the *Midyear* link under *Events* to find *Hilliard Area Hotels*.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Disclosure: The OPF trustees and other individuals responsible for planning OPF continuing pharmacy education activities have no relevant financial relationships to disclose.
