

**ACKNOWLEDGEMENT OF TRAINING FORM**  
**Pseudoephedrine Products**

---

I, \_\_\_\_\_, an employee at \_\_\_\_\_ understand and agree to comply with Ohio and federal laws regarding the sale of *pseudoephedrine* products which include both single and multi-ingredient products as well as products containing *ephedrine*. Ohio law requires that customers must be 18 years or older to purchase pseudoephedrine products. It is my responsibility to ask for valid identification to verify that customers purchasing the pseudoephedrine products are at least 18 years of age. Valid forms of identification include a driver's or commercial driver's license, military identification card, passport, or other identification card issued by the government. Retail sales may not exceed 3.6 grams PSE per day per purchaser, regardless of the number of transactions. Individuals are prohibited from purchasing more than 9 g PSE per 30 day period and every sale must be recorded in the appropriate logbook with the following information: Purchaser's signature, purchaser's name and address, date and time of sale, name of product sold, and quantity sold.
