

2023 OPA Midyear Meeting Learning Objectives

ACPE #0129-0000-23-081-L04-P

Reducing Rehospitalizations by Supporting Transitions of Care

Beth Husted, PharmD, BCMTMS and Marina Saunders, PharmD, BCGP

At the completion of this activity, the participant will be able to:

1. explain how readmissions can affect the health of long-term care facilities and hospitals;
2. articulate risk factors that can contribute to increased readmissions post-discharge;
3. discuss risk mitigation strategies to reduce/manage readmission rates;
4. define components of comprehensive admission and discharge programs and how they facilitate the care continuum; and
5. identify quality and patient care metrics as well as business measures impacted by the implementation of a transitions of care program.

ACPE #0129-0000-23-082-L01-P

Preparing for Winter: RSV Vaccines and Cold Self-Care

Rebecca Lahrman, PharmD, R.Ph., MS, BCACP

At the completion of this activity, the participant will be able to:

1. compare the literature for the two respiratory syncytial virus (RSV) vaccines recently approved;
2. apply updated vaccines recommendations for RSV to patient care; and
3. identify complementary and alternative cough and cold self-care agents.

ACPE #0129-0000-23-083-L03-P

DSCSA- What Do Pharmacies Need to Know?

Jenni Wai, R.Ph., MBA

At the completion of this activity, the participant will be able to:

1. discuss the evolution of the Drug Supply Chain Security Act (DSCSA) and history;
2. describe how to handle a suspect or illegitimate product in your pharmacy;
3. explain the federal requirements for product tracing, product verification, and conducting business with authorized trading partners; and
4. discuss what happens during a product tracing inspection or investigation.

ACPE #0129-0000-23-084-L99-P

2022 Ohio Pharmacist Workforce Study and Salary Survey Results, Part 1

Jennifer Rodis, PharmD, FAPhA; Emily Eddy, PharmD; and Jaclyn Boyle, PharmD
