

# Ohio Chapter

INCORPORATED IN OHIO

American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

**NEARLY**

**1** OF **EVERY** **5**

**HIGH SCHOOL STUDENTS**

(20.8%) reported in 2018 that they used electronic cigarettes in the past 30 days—an increase from 1.5% in 2011.

**Does the growing trend of adolescent vaping have you concerned?**

Do you have the knowledge and resources you need to talk to the adolescents you work with about vaping?

## Ohio AAP is bringing Adolescent Vaping Trainings to a location near you!

### Attendees will:

- Receive information about the latest trends and statistics regarding adolescent vaping;
- Learn how to screen adolescents for vaping;
- Discuss intervention tactics; and
- Receive tools and resources that can be used for education.

### Sessions are conveniently located across the state:
