## CONTINUING EDUCATION CREDIT

This meeting is targeted to all pharmacists. The continuing education for this program is coordinated by the Ohio Pharmacists Foundation (OPF). To receive continuing pharmacy education credit, you must complete the CE form indicating programs attended. Sign, date, and return the CE form to the OPA staff or office. Your CE credit will be uploaded to the CPE Monitor. Learning objectives for the continuing pharmacy education programs can be found on the OPA website at [www.ohiopharmacists.org](http://www.ohiopharmacists.org). All CE sessions are knowledge-based activities unless otherwise indicated. The Ohio Pharmacists Foundation adheres to ACPE Standards regarding industry support of continuing pharmacy education. Disclosure of faculty and commercial support relationships will be made known at the activity. Speakers are expected to openly disclose intent to discuss any off-label or investigational use of drugs, devices, or equipment in their presentations.

## CONFIRMATION AND HOTEL INFORMATION

Upon registration, a confirmation letter or email will be sent to you along with hotel information and driving directions. From the OPA homepage ([www.ohiopharmacists.org](http://www.ohiopharmacists.org)), you can click on the *Midyear* link under *Events* to find *Hilliard Area Hotels*.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

## **OPA MIDYEAR MEETING**

**SUNDAY, NOVEMBER 11, 2012**

MAKOY CENTER · HILLIARD, OHIO

Innovative, practical and informative continuing education programming has been planned for OPA's 2012 Midyear Meeting, Sunday, November 11, centrally located at the Makoy Center in Hilliard, Ohio. Payment strategies for Medication Therapy Management services will be addressed in two of the programs, along with current trends in the pharmacist workforce. The program on drug diversion has been approved by the State Board of Pharmacy for jurisprudence CE credit. In addition, the program on smoking cessation counseling will provide pharmacists with valuable resources for their patients. Clinical programs on anemia, antipsychotics, and preconception care will be offered. The programming will benefit pharmacists in all practice sites, and it is a great opportunity to connect with your fellow pharmacists. Space is limited. Register now.

- 7 total contact hours of pharmacy continuing education
- 1 hour of Ohio-approved jurisprudence credit
- Networking opportunities
