- Managed care organizations
- Occupational safety and health consulting
- Rehabilitation and wellness services
- Safety equipment and services
- Third-party administrators
- Training

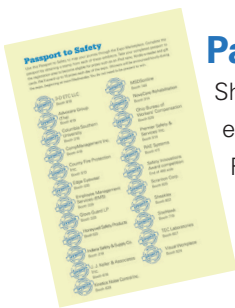

Safety Innovation Awards competition

Safety Innovation Awards competition encourages the development of innovative ergonomic and/or safety solutions in Ohio's businesses. In addition, it recognizes employers for demonstrating a commitment to safety and the well-being of their employees. We've selected the top companies in Ohio that received BWC safety grants to participate in the competition. We will judge them on how their innovation:

- Prevents risk;
- Is cost effective;
- Is simple to implement.

You will decide the winner of the People's Choice award! Visit the Safety Innovation Competition area in the expo hall to cast your vote. We will announce the winners at Thursday's general session.

Passport to Safety

Shopping for products and services has never been so fun. Visit exhibitors in the Expo Marketplace and get your passport stamped. Fill your passport with stamps and become eligible for prizes such as gift cards, e-readers and electronics. We will award up to 10 prizes each day of the expo. You do not need to be present to win.

Hotel accommodations

For a list of hotels offering discounts located within 10 minutes of the Greater Columbus Convention Center, driving directions and parking locations go to ohiobwc.com.

Special services

If you require special services while attending the Ohio Safety Congress & Expo, notify BWC in advance at 1-800-OHIOBWC.
