## What is Student Legislative Day?

Student Legislative Day is an advocacy event that allows student pharmacists to meet with legislators to educate them about the value of pharmacists in the world of health care. You will learn about the latest legislative issues in the Ohio Statehouse, learn how to effectively communicate those issues, hear from the legislators themselves, and have a chance to individually visit the offices of legislators. This program will allow you to learn and become involved in the issues impacting Ohio pharmacy practice. We'll discuss audit legislation, proposed changes in the immunization law, modifications to the consult agreement, and other critical issues.

*Student advocates for pharmacy in Ohio are Benjit Singh, Kimberly Zitko, Chun Wong.*

The Ohio Pharmacists Association and the Ohio Colleges of Pharmacy have joined together for this special advocacy day to inform you of crucial legislation impacting pharmacy practice. Pharmacy Student Legislative Day is designed to develop open dialogue between student pharmacists and lawmakers. Be a part of the important process that will shape our profession.

“If you're not at the table, you're on the menu.”

### Can't make it?

While we highly recommend participating in our Pharmacy Student Legislative Day, there are other ways to participate and support our legislative efforts.

### Join OPA's Rx Advocacy Team

To enhance our outreach efforts to legislators, we've launched OPA's new Rx Advocacy Team – where we match up one to two pharmacists with each legislator in the state to serve as a point of contact for all matters relating to pharmacy. Members of the Rx Advocacy Team are tasked with getting to know their legislators, communicating pharmacy issues to them, and participating in our VoterVoice Calls to Action. You don't have to already know your legislator to get involved – all you need is the desire. If you're interested in participating in this new initiative, please visit <http://bit.ly/16sLbJi> or contact Antonio Ciaccia at [aciaccia@ohiopharmacists.org](mailto:aciaccia@ohiopharmacists.org).

### Support the Pharmacy PAC

Pharmacists and student pharmacists can strengthen the influence of pharmacy in Ohio's General Assembly legislative session through the OPA Pharmacy Political Action Committee (PAC). Our PAC is your means of informing and educating state legislators about the significance of our profession in Ohio, and your contributions will go to help good candidates who support pharmacy "and our values." With health care reform and many important legislative battles this session, we need your help to attain our goals at the Ohio Statehouse. To contribute to the OPA Pharmacy PAC and support our legislative efforts, visit [http://bit.ly/OPA\\_PAC](http://bit.ly/OPA_PAC) or mail a personal contribution made payable to "Ohio Pharmacists Association Pharmacy PAC" to Ohio Pharmacists Association, 2674 Federated Blvd, Columbus, OH 43235. No corporate checks allowed.
