Dear Prospective Supporters and Exhibitors:

The Ohio Psychiatric Physicians Association, in joint sponsorship with the American Psychiatric Association, will hold its 2023 Annual Psychiatric Update on **April 22-23, 2023**, at the Marriott University, in Columbus Ohio. We invite you (or another representative) to join us as Supporter and/or Exhibitor, on behalf of your company.

This year's conference theme is: ***Putting the Unique Needs of our Patients First: Compassion, Controversies & Crucial Conversations***, which will address topics of interest to psychiatrists and other practitioners who treat individuals with mental illnesses (see brochure for [detailed agenda](#)).

This is an excellent opportunity for you to interact with and/or make the products and services known to hundreds of psychiatrists, advanced practice nurses, physician assistants, psychologists, social workers and other mental health professionals, including some of Ohio's most prominent psychiatric leaders.

To join us this year, simply sign-up [online](#) or complete and return the [agreement](#). To exhibit only, the cost is \$1,500 (\$1,250 if you secure your space prior to Feb. 15, 2023). Opportunities for support of a meal or break are an additional amount and begin at \$500 (see the application for details). Should you need it for approval purposes, our Federal Tax ID is: 34-6558859. Click [here](#) to obtain a copy of our W-9.

*Opportunities for support and exhibit space are limited and will be made available on a first-come, first-served basis\*. We completely sold out in previous years for exhibits, so we encourage you to respond as soon as possible to secure your space and to get the maximum recognition prior to our event. Also, the sooner you sign-up as an exhibitor, we can begin identifying your company on promotional materials, including the OPPA website.*

We look forward to your participation! Please contact me with any questions.

Sincerely,

Janet Shaw  
Executive Director
