

In Celebration of Bebe Moore Campbell National Minority Mental Health Month
& the American Psychiatric Association Diversity Mental Health Month

1st AND GOAL:

Moving the Conversation Forward

Overcoming stigma, addressing disparities and achieving the goal of recovery

Keynote Speaker:

Dwight Hollier, National Football League

Director of Transition & Clinical Services

Friday, July 18, 2014 Community Reception

Meet Dwight Hollier, Director of Transition and Clinical Services for the National Football League, working in the Player Engagement Department, overseeing the Life Platform. After a stellar career with the Miami Dolphins and a brief stint with the Indianapolis Colts, Dwight affirmed his mission towards assisting

current and former NFL players in achieving Total Wellness. As a National Board Certified Counselor and Licensed Professional Counselor, Dwight has over 13 years of experience working with adolescents, families, and adults in a variety of clinical and non-clinical settings.
