***#20 'Folly Beach', 12" x 16" Encaustic Oil Painting donated by Big Magic for Meetings***

Encaustic paintings are made with wax-based oil paints, composed of beeswax, resin and pigment, which are kept molten on a heated palette. You apply the paint to an absorbent surface and then reheat it in order to fuse the paint. Due to the fluidity of the hot paint, encaustic is a challenge to control and there are always surprises along the way. I have found that it is particularly suited to the exploration of water as subject matter.

Expiration Date/Restrictions: N/A

Donation value: \$385.00

---
