Journal of the Pennsylvania Counseling Association

The Journal of the Pennsylvania Counseling Association (JPCA) is a professional, refereed journal dedicated to the study and development of the counseling profession. The JPCA publishes articles that address the interest, theory, scientific research, and innovative programs and practices of counselors.

Manuscript: Please go to the JPCA webpage to review the Guidelines for Authors and email for manuscript submission.

http://www.pacounseling.org/aws/PACA/asset_manager/get_file/751390?ver=1

Manuscripts are welcomed from students, practitioners, and educators in the field of counseling.

CE Credits: To earn CE credit for reading the *JPCA* articles go to page 87-88. You can earn 2 continuing education credits by reading the journal and answering the test questions.

Advertising: For information, contact Richard Joseph Behun at joe.behun@millersville. Advertising will be accepted for its value, interest, or professional application for PCA members. The publication of any advertisement by PCA is an endorsement neither of the advertiser nor of the products or services advertised. PCA is not responsible for any claims made in an advertisement. Advertisers may not, without prior consent, incorporate in a subsequent advertisement the fact that a product or service has been advertised in a PCA publication.

Permission: Permission must be requested in writing from the Editor for reproducing more than 500 words of the Journal material.

Cover Design: Created by Arsh, Indiana University of Pennsylvania Doctoral Student. Arsh can be reached at mwldc@iup.edu.

The Journal of the Pennsylvania Counseling Association (ISSN 1523-987X) is a biannual publication for professional counselors. It is an official, refereed branch journal of the American Counseling Association, Inc.
